KENT COUNTY MARRIAGES PRIOR TO 1845

compiled by

Deborah MacDonald Hale

The following marriage records predate the existing Kent County Marriage Records, which begin in 1845. These records are drawn from newspaper accounts, particularly from the Northumberland Gleaner. They have been arranged alphabetically by the surname of the groom, and (where possible) include the date of marriage, name of officiating clergyman or J.P., place of marriage, place of residence of bride and groom, and parentage of the bride and/or groom. Where the exact date of marriage is not given in the report, the date of publication will be given in its place, denoted by square brackets.

CRAIG FAMILY REUNION - 200 YEARS

On behalf of the Craig Family Reunion Committee, I welcome this opportunity to thank the people of Charlotte County and other New Brunswickers, for their interest, support, friendliness and help during our first Craigs of the Magaguadavic Family Reunion, which was held on August 3, 4, and 5, 1985.

The Reunion commenced at the John Craig homestead, Bonny River, (present home of Donald Craig). Registration, introductions, refreshment and tours of the home were enjoyed on the opening afternoon. The Saturday program continued in the early evening with a Family dinner at the excellent hall facility of the Pennfield Lions Club. The 200 attendees, from 20 States and 4 Provinces, were greeted with a lively and meaningful Proclamation by Town Crier, Bev Lawrence of St. Andrews; and following which the procession of family and guests was led into the hall by Highland Piper, Cecil Reid, of Hampton. The evening included Welcome and general remarks by Chairman, Cal Craig, the playing of the tape "Ode to the Gathering", (a nostalgic music & lyrics presentation on Scottish heritage and early settlement), the National Anthems of Canada and the United States, Introduction of head table guests and recognition and salute to family members by State and Province. Following the Blessing and Dinner, special speakers were featured including Senator Cyril B. Sherwood; Mr. James Tucker, M.L.A. and House Speaker, Mr. Sheldon Lee, M.L.A. and various family members and friends. Cal Craig presented a brief historical summary - Craigs and the Royal Highland Emigrants (84th Regiment)- and facts about the early days of the family and the Craig land which was applied for in 1785 and is still in the family name.

Following an Intermission and viewing of the Show and Tell Tables, Craig anecdotes were exchanged and presentation of Awards were made to the following: Helen Marie Guthrie, age 94, from California, Senior Craig Family Member; Mildred (Mrs. Alan) MacDonald, representing the most prolific branch of the family, (Joseph Craig - 125 descendants); Mrs. Mildred Mater, Hacienda Heights, California, furthest traveller to the Reunion; William John Pepin, age 6 months, youngest person registered; Dayna William Craig, 2 years, youngest male Craig. Both William and Dayna are grandchildren of Maurice Craig of Harvey Station, N.B. Presentations were by Allison Craig, Chester Craig, and Bev Lawrence of New Brunswick; Margaret Vogt, Pullman, Washington, and Barbara Cook, Jefferson, Louisiana. Telegram of regret and best wishes was read from Percy Craig of Motueka, New Zealand. Mr. Robert Craig, Eatontown, New Jersey, extended thanks on behalf of all present to Cal Craig for his efforts in organizing the reunion.

A "Macadavie" Dance was enjoyed in the late evening with music supplied by The Pearls, a very talented group of local people. Sale of Family Charts, Craig books, commemorative plates and T-Shirts added to the day's proceedings.

On Sunday attendees enjoyed optional self tours and a "Passamaquoddy Chowder-Do" at the Lions Hall with brief remarks by Vice-Chairman, Alan Craig, Mayor Nate Rubin of St. George and others. Special recognition was given to Brad Hinton of Louisiana, 17th Birthday; Mr. & Mrs. Alan (Mildred) MacDonald, 20th Anniversary; and Mr. & Mrs. Chester Craig; 50th Anniversary. Presentations were by Rev. Grady Hinton, Leslie Jean Craig and Alice Hicks.

On Sunday evening a Family Church Service was held at St. George Baptist Church under the leadership of Don Craig, Rev. Grady Hinton and a Craig choir and quartet. A thirty-four car motorcade through the town and along the Magaguadavic River followed the service and cars were signed - "Craigs of New Jersey"; "Craig-Davis of Iowa" etc. At the Second Falls Baptist Church Cemetery family members witnessed and viewed the unveiling and dedication of a Pvt. John Craig (United Empire Loyalist) memorial. Don Craig and Rev. Grady Hinton officiated with the Dedication and Prayer. The Union Jack was unveiled from the grave stone by senior family representatives, Mrs. Helen Marie Guthrie, Mrs. Mildred MacDonald, Mrs. Edith Davis and Allison Craig. A late evening bonfire and singsong followed at Allison Craig's. Fine musical and vocal talents of several Craig descendants from St. Francis, Minn., Saulte Ste. Marie, Ontario, the St. George area and other locations, entertained.

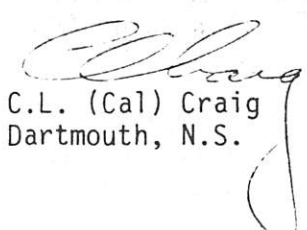

On Monday, family branch Workshops (Craigs, Easters, McClaskeys, Mathesons, Davis') were held, chaired by Sherman Craig, Vance Craig, Mildred Mater, Barbara Cook, Margaret Vogt, Olivia Buckler, and Peg Currie. Worthwhile geneological studies were carried out and recommendations were made for future reunions to be held at five year intervals.

After photos and fond farewells, attendees left with happy memories, new friendships and "kinships", and a rekindled interest in history, heritage and the family. Many were hosted for lunch at homes of Charlotte County "cousins".

The Reunion was the first in 200 years and was a happy and memorable occasion.

My thanks to all,

Yours truly,

C.L. (Cal) Craig

To The Honorable the Representatives of
The Province of New Brunswick in General
Session convened at Fredericton

The Petition of Bernard Duffy of the New Ireland Settlement
in the Parish of Harvey

Humbly Sheweth

That the said settlement comprises upward of
four hundred individuals and have no wheat or flour mill in
the settlement and many of the settlers have to travel nearly
twenty miles to get to a grist mill. Your petitioner intends
in the course of the ensuing season to erect an oat mill and
grist mill with two pairs of stones on lot No. 40 for the
convenience and benefit of the said settlement. That the
erection of an oat mill alone would only partially remove the
hardship as present experienced.

Your petitioner therefor humbly prays your Honors to
take the circumstances of the said settlement and the memorial
of your petitioner into your favourable consideration and be
pleased to grant him the sum of fifty pounds towards the
erection of a grist and oat mill on lot No. 40 in the New
Ireland Settlement.

And your Petitioner is in duty bound will ever pray

Bernard Duffy

(Supplied by Dawn Kinnie, 2nd vice-president, N.B.G.S.)

To The Honourable Representatives
of the Province of New Brunswick
in General Sessions at Fredericton.

The humble petition of the inhabitants of New Ireland Settlement,
Parish of Harvey

Most humbly sheweth,

That since the first Settlement of the aforesaid place, there has not been an efficient mill for the purpose of grinding grain to any amount. That the Settlement Consists of fifty families who are labouring under Serious inconveniences in consequence of wanting a grist mill. After the lapse of so many years.

It is by experience proved that the soil of New Ireland is capable of producing an excellent quality of English Wheat, Oats, Buckwheat, Barley etc, etc, equal to any part of the province.

When in seasons subject to early frost in some parts of the settlement Potatoes would prove an uncertain crop, Grain would be permanent yet in consequence of wanting a mill and having to convey it about twenty miles to the nearest mill.

To the majority of the inhabitants the grain is of no material benefit.

Petitioners humbly solicit your Honourable House to grant an augmentation to the ordinary allowance to enable them in their humble circumstances to erect a mill suitable to their purpose on Bernard Duffy's stream Lot No. 40 - South side of the (River?) (Road?).

Petition is duly bound to pray

BRANCH GENEALOGICAL LIBRARY (BGL)

LOCATION: 1660 Manawagonish Road, Saint John.
Phone: 672-0864

HOURS: Saturdays: 10am-4pm.

NOTE: Before visiting the BGL you should complete most of your research work at the Provincial Archives, the New Brunswick Museum etc. It is suggested that you should 1) select a research goal; 2) determine the type of records that will help you meet your goal; 3) locate and use or order those records; and 4) organize, evaluate and share what you learn.

GENEALOGICAL LIBRARY CATALOG (GLC): This new computer produced aid describes on microfiche the records found in the main library in Salt Lake City. It is used by Branch Genealogical Libraries to order film and fiche from the main library. It is arranged by locality, author or title, surname and subject. Once you obtain a microfilm number you can order the reel on interlibrary loan from the main library in Utah after you pay the postage.

MICROFILM CARD CATALOGUE (MCC): This is an older version of the GLC and consists of microfilmed cards describing the holdings of the main library in Salt Lake City. It will be completely replaced by the GLC in the near future.

INTERNATIONAL GENEALOGICAL INDEX (IGI): The 1984 edition contains vital statistics for 88 million deceased persons from over 90 countries. The data has been extracted from birth, baptism, marriage and death records dating back to the 1500's. The IGI is arranged by locality and then alphabetically.

ACCELERATED INDEXING SYSTEMS (AIS) DATA BASE: This is an index of many of the American census returns, particularly the censuses from 1790 to 1850.

LIBRARY PUBLICATIONS: The BGL makes available to researchers visiting their office in Saint John many films, books, and manuscripts that are on permanent loan.

FAMILY REGISTRY: This is designed to help individuals coordinate their genealogical research efforts and thereby avoid unnecessary duplication of time and expense. You register your name, address and the family names you are researching. You must be willing to share information should someone write to you.

More on "The Tait's"

Your Article, "The Amazing Tait's" taken from "What's In A Name" by Mary Young, caught my eye as I had just run across Capt., William George Tait of Chatham N.B.

William George Tait was born in Chatham N.B., 7, April, 1854 the son of William James and Eliza Smith Tait. He was a ships carpenter and later became the Harbour Master of the Port of Miramichi and died in Chatham, 18, Sept., 1934. I am interested in his Mother Eliza Smith.

Could William George Tait be a nephew of Robert Yule Tait?

I came across the following in the St. James/St. John's Church records:

1. To Robert Yule Tait of the Parish of Nelson, ships carpenter and his wife Margaret, a daughter born, 26, Feb 1842 and Bapt. 14, April, 1842, - named Margaret.
2. To Robert Yule Tait of the parish of Nelson (Beaubear's Island) and his wife Margaret, a son born Dec. 1843 and Bapt. 28, March, 1844 - named Robert Yule.

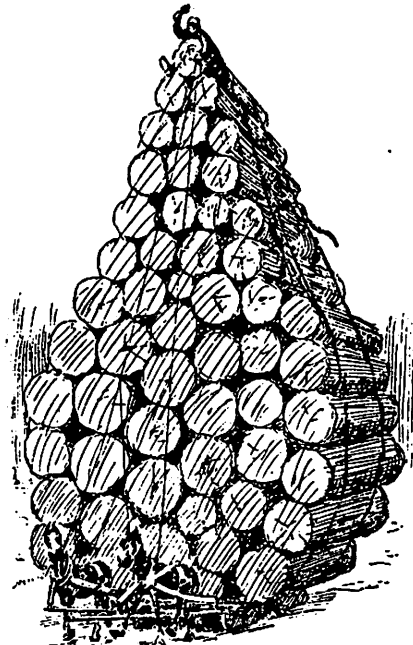

The article, in your June, 1985, issue, states "In Robert Yule's own words" that he lived in Scotland from 1837 - 1841. It further states that Robert Yule lived in Bathurst when he first came to this country. I suggest that he must have first lived in the Newcastle area.

I have a question about the people buried at Riverside Cemetary. Was the Mrs. Capt. William Tait the "Other daughter" (184 - 1912) or could she have been a separate person? Could she have been the wife of Robert Yule's brother? Could she have been Eliza Smith? I have no idea if William James Tait was a Captain.

I found William George Tait and his wife Margaret McLean buried in Riverside Cemetary in Chatham N.B. but as yet have not found his Father, William James nor his Mother, Eliza Smith.

I thought someone might be interested in this information on Robert Yule Tait.

Yours truly,
(Mrs) Allison Blair

**Some Burial Records
of the
Loyalist Burial Ground
Saint John, N. B.**

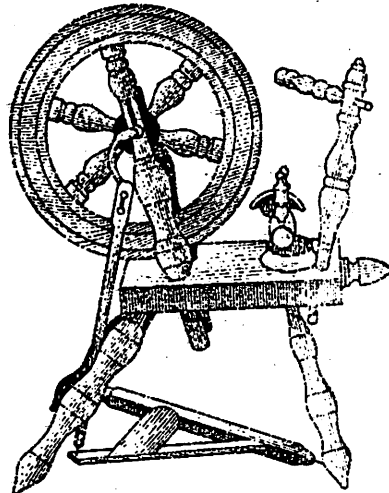

Graeme F. Somerville

"Some Burial Records of the Loyalist Burial Ground. Saint John N.B." by Graeme F. Somerville. This new book contains two alphabetized lists of burials in this cemetery. The first list, of 2,696 names, is all of the only known interment book and covers the period from July 2, 1939 to November 1847. The second list of 658 names is from the Monumental Inscriptions in J. W. Lawrence's 1883 book "Loyalist Centennial Souvenir."

The cemetery operated from shortly after the arrival of the Loyalists, until 1848, hence this book does not claim to be a total listing of all burials. Indeed

the author estimates 12,000 burials could have taken place there. Nevertheless, a valuable book for Saint John research.

Soft cover. 6 3/4" x 8 1/2" 75 pages. \$10.00 plus P & P (\$2.00 Canada, \$2.75 U.S. and Foreign) available from the author, 84 Beach Crescent. Saint John, N.B. Canada E2K 2E4

New Brunswick Legal Heritage

Among the projects of the Bicentennial Committee, sponsored by the New Brunswick Law Foundation, in commemoration of the 200th anniversary of the New Brunswick Supreme Court is the reprinting of two historical works on the New Brunswick legal heritage. One will be in English and one in French. The first of these is now available: a reprint of J.W. Lawrence's celebrated Judges of New Brunswick and Their Times (1907).

Lawrence's Judges of New Brunswick is old-fashioned history at its best. It is nothing less than a general political history of New Brunswick from the 1780's to the 1870's, told through the vehicle of biographies of the first 20 men appointed to the Supreme Court. Of essential practical as well as literary value, its discussion of the fundamental jurisdiction of our Supreme Court is the only one in print.

The 550-page book is also rich with fascinating social detail. How many of us know that in the 1880's the New Brunswick judges declared that they would on no account be addressed as "Your Lordship" but rather as "Your Honour" (Judges, p524)? In what other book would we read that:

Judge [John Wesley] Weldon...was the first man to introduce a moustache on the judicial bench...He cultivated the moustache, not as an ornament, but in the belief that shaving the upper lip is injurious to the eyes. (Judges, p504)

Lawrence's Judges of New Brunswick has long been unavailable at almost any price. The Bicentennial Committee is making available to the membership a limited number of copies of Lawrence's Judges with the following special features:

- a complete reprint of the original text (540 pages) plus original illustrations, on acid-free paper of the highest commercial quality;
- an added "Introduction", complete nominal index and new illustrations;
- bound in heavy dark blue buckram, lettered in gold;
- each copy numbered by hand;

This exceptionally interesting and handsome collector's edition is made available to the members of the Barristers' Society at the cost-recovery price of \$30.00 + \$3.50 for postage and handling. Lawyers routinely pay much more for books that give them much less. This is a book of enduring value in which every member of the NB Bar will take great satisfaction. Order from: Barristers' Society of New Brunswick, P.O. Box 1063, Fredericton, NB E3B 5C2.

THE DAVIS CONNECTION

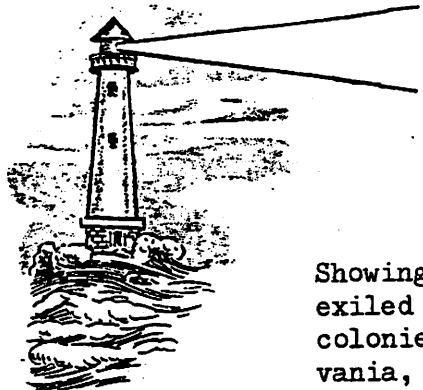

Maine Genealogical Society's Special Publication No. 1, Walter Goodwin Davis: A Scholar's Unique Contribution to New England Genealogy, comes from the Anthoensen Press at this season to mark the centennial of the birth of a Maine man who came to be recognized as one of America's foremost genealogists. After a foreword by Prof. Neal W. Allen, Jr., and a biography of Davis (1885-1966) with an appreciation of his major works by Danny D. Smith, a Maine genealogist, Smith provides two features which make this 99-page book an important research tool for the family historian; an unusually extensive ancestor table of Davis is followed by a consolidated index to the surnames of some 350 families treated in Davis' 19 books and 42 scholarly articles. Almost all of the families he researched are traced through colonial New England, and Davis followed many of them through medieval English lines. He was a founding member of the American Society of Genealogists.

This book can be purchased from the Society at P.O. Box 221, Farmington ME 04938, at a price of \$11 plus \$1 for postage and handling. Maine residents should add the 5% state sales tax.

# ACADIAN EXILES IN THE COLONIES

By JANET JEHN

Showing actual lists of French settlers of Acadia who were exiled during the "Grand Dispersion" of 1755 to the British colonies of Connecticut, Maryland, Massachusetts, Pennsylvania, South Carolina, Halifax and Guyana. Many of these returned to Canada and settled in the province of Quebec; others, notably those imprisoned at Halifax, moved on to Louisiana, some stopping along the way and settling.

These lists have been abstracted and suggested family relationships have been drawn up as a companion to these lists.

Over 1000 surnames, including Amirault, Arceneaux, Aucoin, Babin, Barrios, Bastarache, Bellisle le Borgne, Belliveaux, Benoit, Bergeron, Blanchard, Bonnevie, Boudreaux, Bourg, Bourgeois, Brasseu, Breaux, Broussard, Brun, Caissy, Carre, Celestin dit Bellemere, Champagne, Chiasson, Clemenceau, Clouatre, Comeau, Cormier, Corporon, Cournoyer, Cyr, Daigre, d'Ailleboust, d'Entremont, David, Deveaux, Doiron, Doucet, Dubois, Dugas, Duhon, du Pont, Dupuis, Forest, Garceau, Gaudet, Gautreaux, Girouard, Godin, Gourdeau, Granger, Gravois, Guedry, Guilbeau, Hache-Gallant, Hebert, Jeansonne, LaChance, LaLande, Lanoue, Landry, LeBlanc, Leger, Leroux, LeRoy, Lord, Maillet, Martin, Mazerolle, Melancon, Meunier, Michel, Mius, Orillon, Pellerin, Petitpas, Pitre, Poirier, Poupet, Prejean, Prevost, Richard, Robichaux, Rodrigue, Rousseau, Roy, Saulnier, Savoie, Simon, Simoneaux, Sire, Thebeaux, Theriot, Thibodeaux, Trahan, Veco, Vigneaux, Vincent and many others. (Over 300 pages.)

A must for Acadian research, filling the void between the years of 1755 to 1764 and bridging the time span shown in ACADIAN DESCENDANTS, Vol.s I & II, both available from the author. The latter two books contain the genealogies and data on many pioneers of Acadia and their descendants.

PUBLICATIONS LIST

To Whom It May Concern:

Bur-Mor Publications has been functioning for but a few number of months, but we have had some very positive responses in the local region of Niagara and Brant and Norfolk. That being said, we have decided that it is time to reach out a little bit, to other area's of Ontario, indeed, of all provinces to the various genealogical and historical societies, since most families in Canada, particularly from the U. E. L. period of our history have expanded beyond Ontario and Quebec and New Brunswick and Nova Scotia to other area's of the Country.

We began with the intention of working at Indexing newspapers, and we have been doing precisely that, admittedly we have been taking a very cautious approach to what we have been attempting, trying to get some feedback from individuals and groups, as to what they would like to see published, in terms of types of material. We will continue to index newspapers of Ontario, we will be working on one or two from Quebec in the coming months. We will also be indexing material other than newspapers, ie: Vital Statistics from various Townships particularly around the Niagara region to begin with, but branching out as needs require.

Therefore, we wanted to put out this small publications list, though it is unquestionably, we think that it is a good beginning; we are still new and we will make a few mistakes from time to time. Hopefully not in transcription, but more probably in how we may present it. It is our goal to provide good quality material, at as low a cost as is possible. One of the reasons that we got involved with this in the first place, was because we believed that in general, the cost of genealogical reference material was excessive. We, along with other individuals and genealogical societies and historical societies, simply wish to provide an alternative.

When the Hamilton Evening Times is complete, there will be some 20 Volumes in all, indexed between the years 1859 to 1869.

"The Gore Gazette: March 2, 1827 - June 8, 1829".....\$2.50

"The Niagara Gleaner: January 11, 1823 - July 4, 1835".....\$7.85

The newspapers are complete indexes, not abstracts. All newspaper indexes are and will continue to be executed in the same manner, also indexed at the back of each publication, in the manner normal book index.

"Births, Marriages & Deaths in East & West Flamborough: 1869 - 1913" \$8.00

This particular publication is somewhat unique, in that it cannot be found elsewhere, it is not on microfilm anywhere, approximately 1000 names, between 1869 and 1913. It provides a good overview of the families in those particular townships at the time. East and West Flamboro Townships of Wentworth County, were, essentially, the most populous townships of Wentworth, many of the families were either descendants of U. E. L. families, or from Quaker background. Of course there were those who were also of English, Scots or Irish emigrant families as well.

As I have said, this is a beginning. Much of the work that we will produce in the first 18 to 24 months of operation will focus on the Niagara Region. As well documented as this particular region is, there is an awesome amount of material that has never been touched. The reason of our focus is, primarily genealogical. There is a great deal of material around that we genealogy types just don't get enough access to, so maybe we can help to alleviate that a bit. There is also material that historians and history buffs may find of value as well.

Respectfully,

*W. Craig Burtch*

L In a letter to the editor, Betty Saunders, our

 R living in New Brunswick.  
 S Betty also points out that her great, great,  
 great-uncle, David Coy, built a house at Upper  
 Gagetown between 1795 and 1800. This house is  
 still standing and is occupied by one of David's

The following partial lists of burials (without tombstones) in the Campbellton Rural Cemetery were found in the records of Christ Church (Anglican) and St. Andrew's United Church in Campbellton N. B., as well as from other sources. It is hoped that the compiler will be able to read these records (and other Protestant Church records), in order to complete this work. Where the name of the deceased does not show a place of residence, it refers to Campbellton, others will be noted.

The reason these church records lists are so small is due to the fact that when the compiler was searching through them, it was for his own family history. It is known that there are many others in the records who are buried without tombstones. See list following 'Other Sources'.

THE FIRST LIST IS FROM CHRIST CHURCH (ANGLICAN)

## GENEALOGICAL RESEARCH SERVICE

I write to introduce myself to you and the members of the New Brunswick Genealogical Society. I am the Chairman of our local Family History Society, teach Family History at the Adult Education College locally and am a professional genealogist.

If you or any of the members of your Society requires research done in this country I would be very pleased to help. My charges are normally £5.00 per hour of research but to fellow members of Societies only £4.00 per hour.

In addition to research I can also offer to supply maps and photographs of places of ancestral origin, and in fact I will endeavour to fulfil any requirements.

I would be grateful, therefore, if you could pass my name on to anyone who may have need of any genealogical assistance in this country.

many thanks.

Yours sincerely,

Sue Carsey (Mrs)

## Researchers Needed !.

Every week, the New Brunswick Genealogical Society receives letters from members outside the Province, asking for assistance in obtaining names of family history researchers.

For the most part, these letters come from members who find it difficult, or even impossible, to get to New Brunswick to do their own research on ancestors whose records lie in various repositories in our Province.

A response is always made to these inquiries but it often falls short of their requests simply because we have, at the moment, no one in Fredericton available to carry out this research work.

The Saint John Branch of N.B.G.S. does have a limited program whereby, for a fee of \$10, an initial, one-hour search will be carried out by experienced Branch members, confined to resources in the Saint John area. Should further research be agreed upon, the Branch can supply a list of available local researchers.

We are not aware of how other branches handle such requests.

One fact remains: There is a severe scarcity of available researchers in the Fredericton area where a good part of the genealogical resource material is situated. There would appear to be both a long-term and a short-term solution to this problem. For the short term, the branches might consider setting up a "queries committee" and formulate a policy whereby members experienced in family history research would carry out such work. Any fees thus obtained might be split between the branch and members involved.

In the longer term, the Society might consider sponsoring a seminar or series of seminars at which potential researchers from various sections of the province might be "trained". This would establish a cadre of local qualified persons available to provide a better service to those seeking to delve further into their New Brunswick roots.

Still another possibility is an \* inquiries desk" at the Provincial Archives, staffed part-time, by volunteers from N.B.G.S. We believe Archives management would look favorably upon such an arrangement as it would take some of the burden of answering this kind of inquiry off an already over-burdened Archives staff, and at the same time provide a service by the Society to assist its out-of-province membership.
