Generations

The Journal of the New Brunswick
Genealogical Society

Editor: Mary Rosevear
Queries Editor: Joan McLeod
Book Review Editor: Sandra Devlin
Some Retyping: David Rand & Bruce Fremont Leavitt
Back Issues: Joan Pearce

Generations is published quarterly in Saint John, N.B. by the New Brunswick Genealogical Society and is distributed to the members in Canada, the United States and overseas. The Society also publishes books related to genealogy and sponsors periodic seminars.

Generations is almost entirely made up of articles contributed by members. The society encourages submissions that deal with genealogy and family history.

Submissions may be on a 3.5" disk or CD using any format that can be opened easily by the editor. A hard copy of the submission and the format in which it was saved must be included. Submission may be typewritten using white paper and a good quality black ribbon or e-mailed to the editor. Contributors are responsible for obtaining permission to publish material owned by others.

The editor of **Generations** reserves the right to edit all contributions for form, grammar and to shorten articles to fit available space. Excepted are articles reprinted with permission. Articles that are edited will be returned to the contributor for approval.

Generations goes to the printer Feb 15, May 15, Aug 15 and Nov 15. Items for publication must reach the editor at least 7 days earlier.

2003 Membership Fees are: Capital, Carleton, Miramichi and Southeastern Branches, Saint John Branch and NBGS, \$25.00; Charlotte Co. Branch, \$30.00; and Restigouche Co. Branch, \$27.00, for individual members. Membership fees are for a calendar year. Those joining or renewing late in the year will receive back issues of **Generations** for that year.

The New Brunswick Genealogical Society does not guarantee the accuracy or completeness of articles, data, book reviews, notices, advertisement, or source material and services, or any material printed in **Generations**. Errors and opinions expressed, are solely the responsibility of contributors.

From the Editor's Desk

The summer is coming to a close and with it the passing of some very dedicated people in the genealogy world. Pearl Wilson was one of the founding members in the Miramichi. Although I did not know her, I know she will be missed.

Lionel Badeau was a member of Capital Branch. He served as Vice President on the executive committee for NBGS. I enjoyed talking with him everytime I had the pleasure of seeing him. His son Victor is our past president and his daughter Mary-Ellen is a member of Capital Branch and works at the Provincial Archives in Fredericton.

Rodney Devlin was the husband of Sandra Devlin. She does book reviews for our magazine and writes a genealogy column for several newspapers. Rodney was a very nice person and will be missed.

I extend my deepest sympathy to the families of these people and any one else who has suffered a loss this year.

New Brunswicker's in the 1930 US Census

Contributed by: Marlene Lawrence, 30 Cross St. Unit 2, Petitcodiac, NB E4Z 4H1, marlaw@nb.sympatico.ca

For the past couple of years I have been searching for those people in my family tree that chose to leave New Brunswick and settle in various places in the United States. The census form for that year asked for people to give their country of birth only if foreign born so the majority of people stated Canadian English or French. Once in awhile New Brunswick was added. Below are listed the people from Minnesota, Colorado, Montana, and California who listed New Brunswick as the place of their nativity.

York Co. Marriages

A surname- and chronological-index for 65 marriage licences, held in the UNB Archives, has been sent to the Provincial Archives for the information of New Brunswick genealogists. These marriages took place mainly in Stanley, between 1880-1899 (and one in 1910); other licences are for marriages which took place in St. Mary's Parish, Douglas Parish and misc. others. The licences were part of the papers of the Rev. James Scott Mullan, Presbyterian minister based in Stanley.

List of Fishery Officers, New Brunswick 1878

Submitted by Robert W. Dunfield dunfield@tartannet.ns.ca

This list is compiled from information contained in Appendix No. 2, Annual Report of the Department of Marine and Fisheries, 1878, "Schedule of Fishery Officers in the Dominion of Canada, 1878". Fishery Officer appointments were made under the Fishery Act (1868) and were of two types: Fishery Overseers (o) were instructed to act ex officio as Magistrates, while Fishery Wardens (w) had no authority to exercise magisterial powers. In 1878 the average salary of an overseer in New Brunswick was slightly more than \$100 per annum, and a warden was paid on the average slightly less than half of that. The spellings of all names and locations in the following list are transcribed as found in the original documents

Diseases

Contributed by: Gerald Bell

Diphtheria:

From the Kings County Record, October 20, 1893:

That dread disease diphtheria, is raging in a number of settlements around Sussex. We are informed that the schools in Piccadilly, Cedar Camp, and Mount Hebron are in consequence closed. Thus far it has played terrible havoc in several families. Mr. T. Murphy of Cedar Camp, has lost four children, two of whom were grown men; J. Murphy, one; Mrs. Sullivan and her daughter died this week. In Picadilly, Mr. Brown lost one child; Mrs. Mary Murphy departed this life on Sunday morning, her remains were interred in Wards Creek Cemetery under the direction of Father Byrne. The priests, doctors, and undertakers were kept busy. We are told Father Byrne attended seventeen cases one day last week. The people in those settlements are truly to be pitied, for they have to attend the sick and dead themselves; a nurse should be appointed to attend them for they cannot attend themselves.

This news item could be reproduced with different names in many communities of the day and be just as valid. Many children died of diphtheria.

August 2, 1898: In the U.S., 400,000 people are sick with typhoid annually, of these, 40,000 die. The 1900 population of the U.S. was 76 million.

Other Hazards: These include: Appendicitis, cholera, small pox, pneumonia, child birth, drowning, influenza, farm accidents often involving horses. Penicillin: Not discovered until the 1940's.

Physicians: Often not called. When called, not very helpful by today's standards.

Book For Sale "The Descendants of Andrew Gunter and Elizabeth Titus"

I have the latest edition of "The Descendants of Andrew Gunter and Elizabeth Titus" ready to be printed. There is a total of 520 pages. There are 5300 descendants and their spouses listed. Because of the large number of pages, I have decided to divide it up to three volumes.

Volume I contains information on the descendants of the three oldest children of Andrew and Elizabeth. These were Phoebe, John and Abraham. It contains 142 pages.

Volume II covers the descendants of their fourth child, Isaac. It has 198 pages.

Volume III covers the descendants of their six younger children. These were Mary, Sarah, Jacob, Frances, Charles and Andrew. Volume III has 180 pages.

Each of these three volumes has its own separate index. I will use cerlox binding.

I will charge \$21.00 for the three volume set plus \$9.00 for postage and handling. I will also sell the volumes separately. Volume I: \$7.00 plus \$3.00 for postage. Volume II: \$10.00 plus \$5.00 and Volume III: \$9.00 plus \$4.00. If any orders are shipped to the U.S. I will need the same amount in U.S. dollars. The extra I get in exchange will cover the extra cost of postage.

Please send orders to Andrew Gunter at 146 Rainbow Dr., Charters Settlement, New Brunswick E3C 1V1.

I have also made a print out of the descendants of Abraham Gunter and Nancy Ann Clark. It is a 320 page document including a 76 page index. 3,147 descendants of Abraham and Nancy Ann are listed. Also listed are 1,388 spouses of these descendants. For a total of 4,535 descendants and spouses. I have divided it into two volumes.

Volume I has 140 pages. It lists the descendants of the two oldest children of Abraham and Nancy Ann: Elizabeth and Abraham.

Volume II has 180 pages. Each volume has its own index. It lists the descendants of the four younger children of Abraham and Nancy Ann: William, Samuel, Catherine and Henry B.

I will print a few copies for sale. I will use Cerlox binding.

The price for the two-volume set will be \$15.00 plus \$7.00 for postage and handling.

I can sell the volumes separately. Volume I alone will cost \$9.00 plus \$4.00. Volume II will be \$10.00 plus \$4.00.

A Reid Family

By: Wanda Rodney, Ontario

George Reid was born about 1785, probably in Scotland, but it is unknown when he came to Ireland. He married Elizabeth Buchanan around 1808 in Ireland. She was born 9 Nov 1789 in Londonderry, Ireland. The name Reid means "Red" in the Scottish language. George was a weaver by trade, and an Orangeman. This couple came to New Brunswick, as well as their children, over a period of time in the 1830's and settled in Carleton County. This is a classic story of immigration; the eldest son coming first, followed by the second son; then the third; then the fourth, with the parents coming together with the youngest son coming next; followed by the second-youngest son last. Their only daughter did not come until much later.

Elizabeth Buchanan had two brothers already in N.B. when her first son arrived. They were John and James Buchanan. John and his wife came in 1823 or 1824, and settled in York County, where they are buried, in a cemetery near Pokiok. Their headstones read John Buchanan died 6 March 1864, age 71 years, a native of County Derry, Ireland, and his wife Margaret Cochrane, died 15 December 1859, age 64 years. This cemetery also contains McGirrs who are closely tied to the Reids and also come from Ireland.

John Buchanan's land petition, dated 1825, included William McGirr and James Buchanan. John and William were married, but James is single and his name is crossed out. This may have been because James did not arrive in N.B. until 1825, and may not have been there when the petition was granted. On 23 Aug 1854, John Buchanan purchased 330 acres of land located in the parish of Prince William, York County, in the Lake George settlement, rear part of the lot twelve, beside property owned by Alexander Moody. This is likely where he and his family made their home.

James Buchanan married Elizabeth Dwyer on 2 August 1827, ceremony being witnessed by John Buchanan. At that time James was listed as living in Sheffield, York County, where he may have been working. By 1851, James and his wife had settled in the parish of Simonds, in Carleton County. They had five children: Elizabeth married Thomas G. Toms, Mary married Isaac Perkins (Centreville was originally known as Perkins Corner), Marjery married George West, James Junior married Lydia Yorke and were the parents of the Carleton County Buchanans, and Sarah (Sally), who married David Fitzgerald. These families all lived in the Centreville area.

Since these families began coming to Canada before the potato famine in Ireland, which drove many out of that country, they may have paid their own passage and were not sponsored, except by each other-hence the different arrival dates for the family.

It is unknown just why they came to Canada; cheap land, overcrowding, or religious freedom, or all of these things. They first settled at Bear Island, York County, but moved to Carleton County later. Because there were no roads, the settlers used the rivers and streams. The Preaqu'ile stream which flowed through Centreville was used to float logs to the St. John River. Travelers from this stream to the St. John River, and on down to the port of St. John, where there were boats going to the coastal towns and cities of Eastern United States, and to Nova Scotia.

George Reid's 110 acre grant of land was in Tier 4, Lot 9 south, located just at the top of the hill, leaving the village of Centreville, on the Williamstown road. It was adjacent to his son Daniel's and backing onto the farm of John Toms, in Long Settlement. John Toms' son, Tomas G Toms, married Elizabeth Buchanan, a niece of George and Elizabeth Reid.

It is unknown just where George and Elizabeth Reid are buried. It may be in the old cemetery just below Centreville, known as the Old Williamstown Cemetery. This belonged to the Old Williamstown Methodist Church, which burned years ago. As well as the Reids, who are buried there, there are Starrats and Pages, all original settlers.

George and Elizabeth Reid had six sons and a daughter, all born in Ireland: John Wesley, William, Daniel, James, Robert, and Thomas, and their daughter Eliza.

1) John Wesley Reid and wife Margaret may have been married in Ireland. Her maiden name is unknown. They came over to N.B. in 1831. However, since their first child was not born until about 1835, it is possible that they were married in York County after they arrived. He was the first of the Reid family to arrive in N.B., coming presumably to join his uncles John and James Buchanan. John and Margaret had nine children: four girls, Elizabeth, Sarah Jane, Mary Ann, and Marjorie all married and settled at Millville, York County. As well as a son George D. Reid and his family settled there. The 5th daughter, Margaret, married Gilbert Corey and lived in Centreville. She died, age 33, leaving six children, all of whom were raised by her sisters in Millville, except the oldest boy, Judson, who stayed in Carleton County. A son, John Henry, married and lived in Hartland. Another, Robert, married Mary Ramsay. Mary's sister Elizabeth came to visit her in Centreville, met Robert's brother, William Alexander, and they married. The Ramsays were children of Benjamin and Margaret Ramsay, and were all born in Fort Kent, Maine, but baptized in the Andover, N.B., Anglican Church. One of the Ramsay

A Reid Family

sons married Eliza Reid, cousin of the above boys and granddaughter of Daniel Reid.

2) The second son was William, who came to N.B. on 20 June 1834. There is a family bible, the possession of his granddaughter in Lynn, Ma. that says that William was born in Cumber, County of Londonderry, Ireland, on 16 March 1813. In 1842, he exchanged his property in York County, plus 48 pounds, for 200 acres in Carleton County, owned by Bernard Carrol. At this time he was still single and lived in Prince William, York County. This property was across the road from his father, George, and brother, Daniel's holdings. On 8 April 1848, he married Eleanor Ann (Elly) Leith, daughter of Gabriel Leith and Ann Campbell. Gabriel Leith came to N.B. from Ireland in 1818, and received a grant of land in Sunbury County on the Rushagonish Stream, when he was a single man. In 1824, he married Ann Campbell, who was born in Sunbury County, Parish of Blissville, about 1806. This family moved to Greenfield, Carleton County, between 1826 and 1835. There were 10 children in the family, the oldest Elly, being born in Blissville, in 1827. Three of the Leith girls married three Reid brothers.

William and Elly Reid had 12 children, all born in the Parish of Simonds, Carleton County, N.B. They are buried in the St. James Anglican Church Cemetery on the Knoxford Road in Centreville. Two children died in infancy, 4 moved to Lynn, Ma., 2 to Western Canada, and 4 remained in the Centreville area. The youngest daughter married Col. Lee Kennedy, who owned and ran the tavern/hotel in Centreville, before it was buried.

3) Daniel was the third son. He and his wife, Mary Gallagher, were married in Londonderry, Ireland in Dec. 1845, and arrived in N.B. in May 1846. Daniel was granted 110 acres in Tier 4, Lot 9 North, Carleton County, beside his father's grant. This was in 1843, as his 4th child was born at Bear Island, York County, on 12 May 1842, and the 5th child, 29 Mar 1844 in Carleton County. Daniel and Mary had 8 children, 5 of whom lived at Centreville, 2 in Knoxford, and one died young. Their son James, had 6 sons who lived in Upper Knoxford, and raised their families there. Their son John, had 3 children, one a daughter who married a Ramsay boy from For Kent, brother of the Ramsay girls who married John Wesley Reid's daughters. James and John Reid donated land on which was built the Upper Knoxford Church.

Daniel and Margaret and a daughter who died young, are all buried in the Old Williamstown or Pioneer Cemetery below Centreville. Daniel died at age 60, as the result of being kicked by a horse.

4) James was the 4th son. He came to N.B. in

May, 1836. In 01 Sept 1842, he married at Prince William, York County, to Sarah McGurr, daughter of William McGurr and Jennie Cochrane. Sarah McGurr's brother, Ritchie McGurr, was married to Mary Buchanan, daughter of John Buchanan, and niece to Elizabeth (Buchanan) Reid. Ritchie McGurr's daughter, Sarah, married James L. Reid, son of Daniel Reid. The McGurrs (also spelled McGirr) came to N.B., probably in 1824, so Sarah, who was born around 1826, may have been born in York County, N.B. James and his oldest child, son Richard, received grants of 50 acres each, in Tier 4, but across the Presqu Ile Stream from Centreville and near Long Settlement. Richard Reid married Annie Holmes, whose mother was another daughter of Gabriel Leith's, Mary Leith.

James and Sarah had 6 children, and Sarah died in 1880. However, I do not know where they are buried. Richard's wife died just after their first child was born, and he never married again. His daughter married and moved to Lynn, Ma. Another son of James', William, married and had 10 children, nine of whom moved to Maine. I have been unable to trace the rest of this family, but I believe they all moved to Maine.

5) Robert was the fifth son of George Reid. He came to N.B. in 1841. He was the last of the boys to arrive, his parents and other brothers being already here. However, his sister, Eliza, and her family, were still living in Ireland. The census says that he came in 1841, but there is a possibility that he came in 1840, with his parents and his brother, Thomas. Robert married Margaret Leith, Gabriel Leith's daughter, on 31 Mar 1851.

On 25 March 1850, Robert bought, for 25 pounds, the south half of Lot 9, Third Tier, from his brother William and his wife Eleanor. This couple had 8 children, all of whom lived in Centreville, three of whom did not marry. One of Robert's grandsons was Mr. Jack Reid, who knew most of the older generation, and collected much information on the Reids. His mother was Knox, and it was her uncle, George Knox, settled in Knoxford, and is who Knoxford is named after. Robert and his wife, Margaret, are buried in the Old Williamstown Cemetery.

6) Thomas was the 6th child. He came to N.B. with his parents in 1840. They settled on the land grant of 110 acres in Tier 4, Lot 9 south, beside his brother Daniel, and backing on to the grant of John Toms, whose son, Thomas G. Toms married Elizabeth Buchanan, daughter of James Buchanan, and niece of Elizabeth (Buchanan) Reid. John Tom's grant was in Long Settlement. On 15 July 1862, Thomas married Elizabeth Leith, another daughter of

A Reid Family

Gabriel's. Gabriel lived with this family until he died in 1874.

Thomas and Elizabeth had 8 children. In 1896, they moved to Maine to live with their son T. Havelock Reid, who had moved there in 1894 and married in 1895. Three of their children lived in Maine, three in N.B., and of the other two, one died young, and the other is unknown. Thomas and Elizabeth Reid are buried in Pierce Cemetery, Mars Hill, Maine. Havelock Reid, their son, was married three times. His first wife, Mary Millicent Gee, died leaving 6 children, the baby only a month old. This child, Helen Berneice, was raised by Havelock's sister Mina, wife of John Cogle, of Bloomfield, N.B. Mina and John Cogle had no children of their own, but had adopted Russell Cogle. Helen Berneice (Reid) Stokoe, was in attendance.

7) George and Elizabeth Reid had only one daughter, Eliza, who married Thomas Kennedy in Ireland. This couple, together with seven children, came to N.B. in 1853, aboard the "Mary Ann". They had three children born in N.B. later. Thomas was born about 1813 and died between 1881 and 1891 in

N.B., Eliza was born about 1818 (although her age changed with each census), and died after 1891. This family originally settled near the Reid families, but later moved to Riverdunchute, in Wicklow Parish. I do not know exactly when this couple died. Or where they are buried.

The Kennedys had many descendants, living in Victoria and Carleton Counties, and through Northern Maine, and as far away as Arizona.

For further details on the above families, I have compiled and published books on each of the children (7), and one each on the Buchanans and Leiths. These books are in the library of the Carleton County Chapter of the New Brunswick Genealogical Society, at the Hartland Library, in Hartland, N.B. I have also submitted 3 books on Esteys – Book I, history and background; Book II, Charles Lothrop Estey of Knoxford and his descendants; and Book III, Endicott Estey (Charles Lothrop's father), and his descendants. Besides the above-mentioned books, I have submitted to the Library a book on the Carleton County Schrivvers and another on the Withers/Carruthers families.

Trinity Church, Kingston Picture on Cover

Contributed by Frank Morehouse

This black and white picture of Trinity Church is copied from the 125th Anniversary booklet and was current in 1914.

I am copying a quote from the 125th Anniversary booklet, which they had copied from the Vestry Book of 1789 (incorrect spelling not changed): "June 27th, Ano Domini, 1789. Through the spirited and unwearied exertion of the people of the Parish of Kingston, the framing of the said House was compleated and on this day erected - a verry good Fraim in due order, without any misfortune happening, to the encouragement and satisfaction of all present, concluding to proceed to inclose and cover the same as fast as their circumstances would admit."

1851 Northumberland County Census

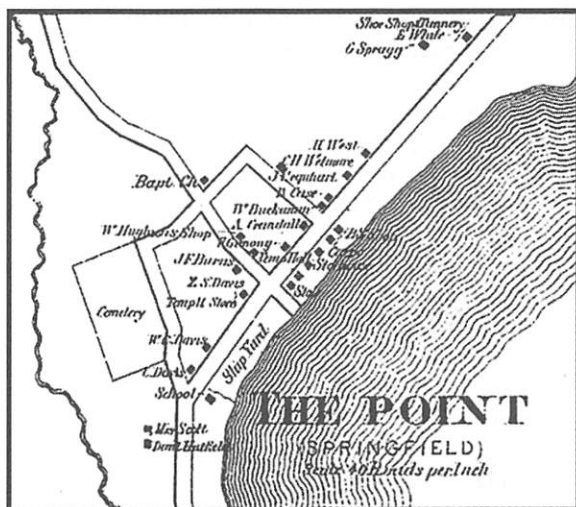

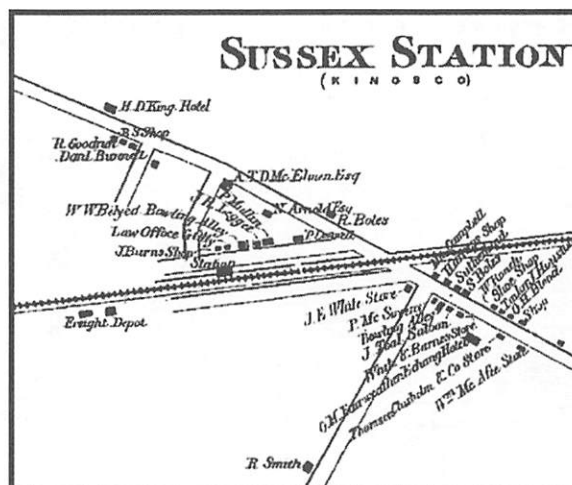

Research your family tree in the comfort of your own home by browsing through the 1851 Northumberland County Census.

This book is a 'true' copy and focuses on the actual written word that appears in the microfilm version of the original hand-written census. Every effort has been made to ensure accurate data. NO attempt was made to correct obvious mistakes made by the census taker, such as listing Michael as a male daughter or six-year-old Margaret as a wife and mother. NO attempt was made to modernize or otherwise alter the original spelling of names. Most importantly, NO attempt was made to interpret the information that was recorded. Homestead Maps For Sale

There were a number of unusual New Brunswick and Nova Scotia County maps produced from 1862 to 1888 which have since come to be known as Homestead maps. Unlike most maps, which are concerned only with geographical features, homestead maps were produced to show home and business locations, with the owners identified. This was done by actual survey of whole counties including both townships and rural areas, making them very useful for anyone researching names or doing a family history. With a homestead map you can see who was living where, what other family members lived close by, variant name spellings, distance to town, work, church and school, actual size of communities including ones that no longer exist, old road locations etc..

Homestead Maps were originally published by companies like H. F. Walling, A. F. Church and Roe & Colby, and are currently being reproduced in small quantities by Paul Anderson, Rare Books & Maps, of Moncton. They are available full size up to 6 ½' long, or as Details; cropped sections just showing your area of interest. (Details have larger type for easier viewing, and being smaller than the full size maps they are easier to frame) You can see a bit of what these maps look like from the samples shown on these two pages. Some of the full size maps include up to 14 insets of towns and townships, each slightly enlarged to allow easier viewing than the originals. Towns can also be printed separately and are nicely frameable. Also available are Bird's Eye Views of some Canadian and American towns and cities. They were hand's Eye's do not show home ownership however.

Annual General Meeting of the New Brunswick Genealogical Society Inc.

The annual meeting of NBGS was hosted by Charlotte County Branch at the Catholic Church, Parr Street, St. Andrews, NB on May 24, 2003.

Branch News

These are some of the Annual Reports from the Annual Meeting in May. The rest will be in the winter issue.

Editor of Generations Annual Report

In the past year there have been no changes in the magazine. Generations is still being printed by Print Atlantic in Fredericton. The magazine is being sold at Beegies, Kings County Museum, N.B. Museum Saint John and Pringles in Moncton.

Working on the magazine with me are: Joan McLeod, Queries; Sandra Devlin, Book Reviews; Dave Rand and Bruce Fremont Leavitt typing. Some articles that are submitted need to be retyped because they are paper copies, photo copied, or articles cut from newspapers. Joan Pearce is responsible for back issues.

Sandra Thorne is now part of the editorial committee and we are still looking for someone else to help out.

All of these people do a great job and they make my work easier.

Being the editor is a very rewarding job and I have enjoyed reading each and every article that has come to me. Please continue to send them and I always welcome your opinion at anytime.

Carleton County Branch

The Carleton County Branch of the NBGS meets at the Dr. Walter Chestnut Library in Hartland, N.B. the third Wednesday of each month; except July, August and December. Currently, there are 43

members with an average attendance of 10 per meeting. Business meetings are held 4 times a year – February, May, September and November.

Alternate meetings are programs only and 2002 has brought some great memories.

In February our Branch honored Hartland native, George Hayward. George has always been very supportive of the Hartland Library and our genealogical group. We certainly recognize and appreciate all the work he has accomplished. With his accomplishments, he has certainly enhanced the work of all budding genealogists.

Another special program was Robb Gilmore from the Provincial Archives speaking on the topic of Birth & Death Certificates. This was a very informative session and Robb's presentation was very well received. A special thanks you to the Provincial Archives for all their assistance.

In November we purchased a new scanner for the group and held a workshop to learn how to use it

Our Branch's holdings (housed at the Hartland Library) continue to grow as we acquire new materials – our goal to quench the thirst for information of our heritage. As well, we are providing a subscription to Ancestry.com for our members.

We would like to thank the entire group at the Provincial level for your support and encouragement. The newsletters, our beloved "Generations", and the increase in communications have kept us going. Keep up the great work!

Ann Ellis, President, Jean Haywood, Vice-President, Cindy Derksen, Treasurer, Veronica Guerrier, Secretary.

Saint John Branch

The Saint John Branch has had a busy and interesting year. The highlight of the year was the Genealogical Fair held September 21st at Millidgeville North High School. There were almost 300 people from as far away as Norway, Ontario, and the southern USA who signed our guest book and toured the exhibits put on by the Provincial Archives and many members of our branch. We gained several new members and also sold many of our publications. Many thanks to Joan Pearce and her committee who organized the event. Branch members also participated in the Southeastern Branch and Capitol Branch Genealogical Fairs.

Other programs we have had over the past year:
May 2002: John Elliott - Land Transactions of Kings County

Annual General Meeting of the New Brunswick Genealogical Society Inc.

June 2002: Tour of Ship Captains' Cemeteries - St. Martins

August 2002: Wendy Anderson: "People and Parishes over the Pond"- sources for genealogical research in the UK.

October 2002: Harold Wright - War and Peace - Military Genealogy.

November 2002: Members Night: Christmas Links - Old greeting cards, gifts, and recipes. Also book sale and Christmas Social.

January 2003: Carl Killen: Theatre in Saint John

February 2003: Donald Collins: 300th/350th Champlain Anniversary celebrations

March 2003: Donald MacGowan: How to Retrieve Genealogical Information at the Land Registry Office
Also in March we held an Open House at the Millidgeville Superstore

April 2003: Members Night - Cemeteries - members brought cemetery information that they had collected.

May 2003: Terry Middleton - Civil War - Project to identify Atlantic Canadians who fought in the US Civil War

Marion Dunphy published her book "Saint John West NB 1861. The Year of the Missing Census" which is a reconstruction of the families of Saint John West from other records. She donated the proceeds from the book sales to Saint John Branch.

Another major donation was by Richard Thorne to the Saint John Regional Library: "The New York Genealogical and Biographical Review" 84 issues from 1981 to 2002, as well as the 2 volume index from 1885-present.

The Saint John Regional Library now has two new microfilm readers, one donated by the Branch and one by Joan Pearce.

The Branch has established its own web site: www.nbgssj.ca which was built by Kathy Cormier.

Vernon Graves, a long time and valued member of Saint John branch, passed away May 27th, 2002. His funeral was May 30 from Rothesay Baptist Church and he was buried in Riverbank Cemetery, Norton, NB.

Our Executive for the upcoming year is as follows:

President: Dave Fraser

Vice-President: George Sabeau

Membership Secretary: Loran Buckley

Treasurer: Charlie Kee

Secretary: Marion Dunphy

Members-at-Large: Joan Pearce, Cheryl Ellis, Bill Harkins, Mary Rosevear, Mary Chisholm

Past President: George Sabeau

NBGS Directors: Dave Fraser, Charlie Kee, and George Sabeau

Next year we are looking forward to participating

in celebrations of the 400th anniversary of Champlain's arrival to Canada.

Southeastern Branch

The last year has been a busy time as President. In order to represent the Society in a manner that would benefit the organization as a whole I wanted to make a few changes that would benefit everyone. A "Welcoming Committee" was formed with Sheila Hoyt as Director and an invitation was issued to any members who wished to go to Fredericton on the date of the NBGS Meeting and do research were welcomed to come as space permitted. Our project with the Library has not materialized yet, but we are hoping to be able to do this project in the future.

The programs this year gave a wide range of information. We started off the year in September with the "Automated Search Program" written and presented by one of our members Lindsay Patten, in Oct. an Open House Genealogy Fair was deemed a success. At our November meeting Dr. Paul Delaney gave a lecture on how he did research on one of his families. January was our PotLuck Dinner and Sharing. At our Heritage Month meeting in Feb. we were given a most interesting presentation of the Jonah Family trip to France and Germany by Eleanor Goggin. In March, Max Wilbur gave an comprehensive talk on researching the Wilbur Family for his book "Ye Wilbors All".

At our April meeting our Program Chair, Warrenne Agnew, gave us an impressive demonstration on how to Scrapbook your Genealogy Pictures. Our last program of the year, at our Annual Meeting, was "Land Registry" by Colin Johnson.

This year, we also had two Sessions of Lectures, which were given by members. On February 25, 2003 at the Riverview Library Ron Messenger on "Beginning Genealogy" and Stan Balch with "Computer Related Genealogy". At the Moncton Public Library on February 27, 2003, Eleanor Goggin and Sherrill Carter gave a presentation on "Organizing your Genealogical Material".

Also, in February as part of "Heritage Month" Vada Hooper and I represented Southeastern Branch at a reception at the "Thomas William House", sponsored by the City of Moncton.

I would like to thank:

The Executive, all the Committee Chairpersons and the directors.

Ivan Edgett who as House Chair, always had everything set up and waiting for us.

Annual General Meeting of the New Brunswick Genealogical Society Inc.

Ron Messenger and his Computer Group who supplied an entertaining and informative 45 min before each meeting.

A big Thank You to Lindsay Patten for his generous additions to all genealogist, with his "Automated Search Program" and the 1901 Census Index.

A special thanks to Stan Balch and Dave Fyffe whose support, advice and knowledge, made the past year a more pleasant and enjoyable experience.

A quote by Frances Hesselbien on Leadership says, and I quote: "The organization of the future will be relationship-centered, mission focused, values

based and demographics driven". If we are to move forward in the years ahead we can not be tied to how the Society was run in the past. We must use our time and effort to focus on making our branch a willing and active membership.

The mission of the Society as a volunteer organization is to promote and develop the study, research and preservation of genealogical records and family history.

Let's make next year, the year to fulfill this mission with new ideas, new projects and a new outlook for the future.

Respectfully submitted, Thelma Perry

Book for Sale

I am providing advance notice of a new publication as only a limited number will be printed. I have compiled military biographies on 1,320 men who enlisted in World War I from Victoria and Carleton Counties New Brunswick. Much of my information came from The Woodstock Despatch, The Carleton Sentinel and the Observer. The information was gleaned from notices of enlistment, casualty lists, returned soldiers and letters sent by soldiers home from England and the front. This was supplemented by military enlistment lists, log books. Also used were the Attestation Papers from the National Archives Website and the records of the Canadian Commonwealth War Graves Commission. Other biographical and historical books were also consulted. Although I cannot assume that I have 100% of the soldiers who enlisted (there being no master list) I believe that most have been included in this work. A large number of the enlistees came from Birmingham, England and may have been among the children sent out in the late 1890's. The next of kin provides valuable clues to their connection with local families or those abroad. I anticipate the resulting book may be upwards of 700 pages in length. I intend to have perfect binding with a hard cover.

Given the high expense of publication only a limited number of these books will be printed. Tentatively, I expect the book will be available for about \$70 to \$80 plus postage and handling from Saint John, N.B. Also I hope to have it ready by Nov. 11th, 2003. Interesting Children's Names

Contributed by Janet Cunningham

While doing my research on my family, I came across these interesting children's names and thought I would share them with you. Remembrance, Restore, Freedom, Increase and Preserved. There was also a Jacob and an Abigail in the same family.

From Sea To Sea They Came...

Contributed by Verna Mott

From Sea to Sea they came, over 2000 of them and from south of the border, to attend the 50th reunion of the 20 communities that were expropriated for Base Gagetown in 1953. It was held at the Queen's County Fair grounds in Gagetown, NB on the New Brunswick Day weekend, August 1-4.

Photo credit Richard Mott

Five years of planning and hard work resulted in an outstanding event. A monument was unveiled to honor the memory of the early settlers and those expropriated in 1953.

Photo credit Verna Mott

Several books and publications were written to share and depict the rural country life, education, spiritual development, hard times, fun and fellowship of the people who were dispersed from their land, homes, neighbours, friends and life style.

Persons in ministry with roots in the dispersed communities conducted an interfaith church service showing clear evidence that the faith of our fathers still lives on.

Those who attended will remember the service as extra special.

Hours of musical entertainment by the descendants of the Base people were inspiring. The sound of their music and singing has not been silenced.

Bob Johnson produced a music CD and cassette entitled "A Place Called Home" and The Queenston Trio, consisting of Gail (McConchie) Carpenter, Stirling Nickerson, and Lloyd Mullin produced a CD and cassette entitled "The Hills that We Call Home"

The life and times of the people were well portrayed in the community booths full of vintage pictures, artifacts and genealogy. The displays depicted the resourcefulness, uniqueness and creativity of the former communities and their descendants.

Individual family reunions were held showing that great care and hours of research had gone into the gathering of information. The Short family had a chart of the first five generations on Canadian soil which extended as a border around the booth, family members found their line and signed their names.

It was a wonderful example of a homecoming!

Ballyshannon Local History Society

In your issue of Spring 1996, I wrote a letter seeking contact with descendants of Irish emigrants.

As a result of that letter, I got replies from several people stating that their forbears came from or would appear to have connections with this area.

In that connection we would like to mention in particular the name of Leonard Cooper who passed away last February. Leonard sent us maps, literature and lots of information about Miramichi, for which we are extremely grateful. May his kind soul rest in peace.

Recently, a group of interesting people have come together and formed the Ballyshannon Local History Society for the purpose of researching and recording local history.

Sad to relate, the foundations of the O'Donnell castle are buried under a car park, but with a bit of pressure we might get them opened for viewing.

The O'Neills of Tyrone and the O'Donnells of Donegal were the last of the Irish chieftains and they departed from Ireland in 1603 after the defeat at Kinsale.

Because of the boat loads of local emigrants who sailed from Ballyshannon to St. John, we would like to keep in touch with New Brunswick and at our last meeting, I was instructed to write this letter and issue an invitation in the hope that a group of you would consider the idea of visiting our town.

If you come, we will show you the old Workhouse, the Fever hospital, the Famine Graveyard and many other places of interest. In fact, we will give you a Céad Mile Fáilte!

Yours Faithfully,
John Cronin

Genealogy Fair

The Capital Branch of the New Brunswick Genealogical Society hosted a Genealogy Fair in the Fredericton High School cafeteria on Saturday, May 10, 2003. The Fair was open to the public and admission was free. Over three hundred visitors signed the guest book. Many stayed all day. There were forty-five exhibitors with approximately eighty tables full of display material. The Provincial Archives of New Brunswick came with research material. There were book and map vendors, genealogists from all over the Province, genealogical societies, historical and cultural societies, transcription services, information about home children and a beginners section. The Fair was a huge success. Capital Branch will decide if and when to host another Genealogy Fair at their September meeting. Anyone interested in participating in

the next Fair should contact Victor Badeau by e-mail at: badeau@nbnet.nb.ca or by telephone: (506)458-2717.

Queries and Answers

Genealogical queries and selected answers are published in *Generations* as a service to those who may wish to exchange data with other researchers. Queries should be brief and to-the-point. There is no longer a charge for queries. Submit as many as you wish but they may not all be printed in the same issue, as space is limited. Please send queries on a separate page, and be sure your name and address is on the page with your queries.

Send to the Queries editor for typing. Send queries to the queries editor:

Q4554 - **CARRICK** – I'm interested in getting in touch with any descendants of my great uncle John Joseph **Carrick** or his brother Ashley Ashton **Carrick**, who went to Saint John, NB from County Durham, England in about 1912 (sometime before the first world war). He was, apparently a member of New Brunswick Lodge Number 22 and Union Lodge Knights of Pythias and of a Court Le Tour IOOP. He qualified as a doctor on a postal course from a US college and ran a druggist's shop in Saint John. His father, Joseph **Carrick** was a lead miner in Weardale, County Durham. He was blacklisted as a union leader and became a coal miner, but died early of lead poisoning. JJ had two daughters, Edna and Winnie and one son, Kenneth. JJ's brother Ashley Ashton **Carrick** also went to New Brunswick. Ashley had a daughter Violet and a son, John who d. when he was shot down over Holland in WW2. He is buried in Holland. Before his death he corresponded regularly with my father (who is now 90) but they never met. JJ's youngest sister Nora is my grandmother. I'd be delighted to hear from any relations. *Paul Williams, Duror, Appin, Argyll, Scotland PA38 4DA. 01631 740317 or 07977 591947 Or Email: paul.Williams@ecosse.net.*

Q4555 - **CHARLTON** – Searching for info on William **Charlton**, listed in 1881 census of Ward 2 Portland, Saint John, NB. Had son listed as William age 2. Wm. Sr. listed as 'widow'. Q4563 - HODGKINS, George Charles b. in ON abt. 1920 to George "Chester" and Beatrice L. **Hodgkins**. His father was a chemist/druggist who d. in Timmins, ON in 1946 and is buried in Niagara Falls. Beatrice went to live-in Toronto and eventually d. in Kitchener in 1961. She is buried in Harriston, ON with her parents and siblings. In her obituary it said that George was in Moncton and that there was a grandson. It has confirmed that George was in Moncton from 1961 to 1965. I checked Canada 411 for any **Hodgkins** in NB and found only one listing – Earl A. **Hodgkin's** living in Whitehead. Apparently George was listed as a "traveler" for Griffith Laboratories. This company does not appear in today's telephone directory. I am willing to forward payment for fees related to this query. *Shirley Lockhart*, Email: co4392@vaxxine.com.

Q4568 - **MIRAMICHI GENEALOGY** – We need families. 1st Families ...2nd Edition. We hope to be soon publishing a 2nd Edition of 1st Families and would like to have 'YOUR' families who arrived here on the Miramichi or in Northumberland Co. There have been some questions about the format of the 1st Families. Below you will find a basic format, I hope this helps – if not please contact. Any family who lived in Northumberland County is considered a first family. The year doesn't matter. Where they come from doesn't matter. We want info on the first person who entered the county, his wife or her husband and their children and who their children married. That's as far as it goes – no grandkids, although you could include how many children the kids has (you're getting into second families if you list grandkids). The info can include their parent's names, where they were born, baptized, confirmed and married; their occupations; religious affiliations; hobbies and/or other newsy items. Send to: *NBGS Miramichi Genealogy Society, P. O. Box 403, Miramichi, NB E1N 3A8* The 1st Family Book, 1st Edition – the revised and indexed copy is now for sale \$15.00 + shipping.

Q4569 - **PETLEY** – Can get as far back as gr. grandfather, John Christopher **Petley**, but can't seem to find anything beyond that. Any guidance would be greatly appreciated. *Trevor Petley, Email: tpetley@nb.sympatico.ca.*

Q4570 - **PUDDINGTON**, Arthur son of Orland and Ethel (**Rathburn**) **Puddington** was b. in Hibernia, Queens County in 1908. After his mother's death in approximately 1913-14, Arthur went to live with 'relatives' in Carleton County. One possible relative would have been his Aunt Ruth **Puddington** who was marr. to Charles **Cook** and farming near Glassville. I have a class photo that includes Arthur, of Knowlesville school in 1917. I would like any info about Arthur's stay in Carleton County and any family that he may have lived with during this time. *Joan Morris, 874 Calder Road, Mississauga, ON L5J 2N7 Phone: 905-822-2444 or Email: jo.morris@sympatico.ca.*

Tuberculosis

Contributed by Gerald Bell

Notes on Tuberculosis taken from the Kings County Record of the 20's. Called "consumption" in older documents. *"7855 people died in Canada in 1923. Several other diseases have high death rates, but the average death caused from these is between the years of 50 and 60. The average age of those dying from TB is: Males 37 years and females, 33 years.*

In 1925, there were 405 deaths from TB in New Brunswick. About 60% of school children of N.B. are infected with TB before the age of 15. In all probability, 90% are infected by the age of 25. Each and every one then is suitable soil for the development of TB.

Why then does approximately one in eleven die of TB?

Because the disease TB is dependant upon the amount of germs entering the body and the resistance of the individual. The germs lie inactive in practically the whole population, hovering as a menace ready to spring into active disease once the resistance has been lowered by poor living conditions, poor food, disposition, overwork, worry or sickness.

The first two years of life, the time of floor crawling, show a heavier death rate from TB than at any other two year period. The bovine TB germ comes from cows which are suffering from TB and reaches the child through milk. As a large number of milk cows suffer from TB, milk from such cows may infect our children unless the milk is pasteurized or boiled to kill the germs. Probably 10% of TB deaths in children under five years are due to the bovine germ and 61% of the cases of TB glands are caused by infections from cattle.

The Olive Family Bible

We are indebted to Ron Keith, Saint John for permission to publish the following transcriptions from the Olive Family Bible, which he fortunately obtained at a recent auction. The Olive family were well known ship builders of the Carleton (west side of Saint John Harbour) in the 19th Century.

This certified that the rite of Holy Matrimony was celebrated between John Lee Olive of Carleton St. John and Jennie Andrews of Paradise Row on New Years 1872 at Mrs. Joseph Andrews by William H. DeVeber Rector of St. Paul's

The following card was enclosed in the family bible:

Bridgeport, Conn. R.F.D. #3 Box 49, August 14th -

Dear Bessie: I am writing these few lines to you to announce the arrival of John Raymond Olive, born the 4th of Aug., weight 8 1/2 lbs. We are both getting along nicely. I hope you will excuse this being written in pencil, but I am sitting up in a chair for the first time & am afraid I could not manage the ink well without spilling it. The weather has been extremely warm & it seems so good to get out of bed, Love to you all from us all. (signed) Bessie

The last few pages of the family contain six photos (carte de visites.)

Contributed by: David McKinney

Editor's Note: This is part three of four parts. The last part will be in the Winter issue.

THE DIARY OF JAMES ALEXANDER MACHUM 1848

Jan. 1. 1848

John Brown Jr. got his arm broken near the shoulder by a tree falling, a limb of which struck his arm - Hugh and he were chopping together.

Jan. 5. (1848)

Mr. Richard Daly was married to **Miss Margaret Corbett** by the **Rev. J. Bartholomew**.

January 16 (1848)

James Golding was married to **Miss Eliza Ann Dunham**, both of **Hampstead** by the **Rev. A. Smith**.

Jan. 17. (1848)

Mr. ?... Lec. School-Master died at his residence, **Trott Settlement**, leaving a wife and 4 or 5 children to mourn their loss although he was no help towards getting a livelihood, being pretty old and rendered a cripple by fever sores in his legs.

Jan. 19. (1848)

Wm. Vanwart, eldest son of **Garret Vanwart**, was married to a **Miss Merritt**, daughter of **Mr. Ab. Merritt's**, **Tennants Cove**, **Kings County**.

Jan.- 20. (1848)

Mr. George A. Mahood was married to **Miss Sophia Watters**, by the **Rev. J. Bartholomew**.

Feb. 2. (1848)

Mr. John Brown (of **Oaknabog**) was married by **Thos. J. Hewlett Esq.** to **Betsy Ann Rathburn**. And on Thursday, Feb. 2, by the same, at **Mr. Leonard Slip's** (senior) **James Lowry** to **Mary Carpenter**. She is a daughter of **Widow Dollar**, whom she had while in a state of celibacy.

Feb. 3. (1848)

A man was skating on the river near **Mr. Jas. B. Lyon's** who had a glass bottle in his pocket, and his skate-iron entering a crack in the ice precipitated him forcibly forward upon his face. And the bottle being between him and the ice it broke into shivers, lacerating and cutting his abdomen most horribly,

causing him to bleed profusely - his life is despaired of. he has again become Convalescent.

Feb. 3rd. (1848)

Mr. Tisdale Lyon, of **Sussex**, **King's County**, as he was driving his horses and wagon to **St. John** (there being no snow) something getting wrong about the harness he stopped to fix it, And while he was in the act of fixing the harness, the horses started, he fell, and the wagon wheel passed over his neck which - broke it, which caused instantaneous death. How uncertain is life!

Feb. 8. (1848)

Mr. Zebulon Connor was married to a daughter of **Mr. Gabriel Worden**, all of **Greenwich K. Co.**

Feb. 9 (1848)

Mr. Thos. Golding, (George and James's father) was going to **St. John**, a long with a **Mr. Price**, for a load of hay, and when they stopped at **Mr. Elias Flewelling's** to feed he, **Thos. Golding**, had been drinking, an old practice, they left there and while going down the **Kennebec River**, **Price** asked **Golding** if he was cold, who replied, he was. **Price** then told him to wrap himself up in the horse blankets. He drove on to **Robinson's**, where they leave the ice, when **Price** went to get off the load, and taking the blankets off of **Golding** to see how he was, Alas! Melancholy to relate, the vital spark had fled, he was a corpse! He was about 70 years of age.

Feb. 16 (1848)

Mr. James Golding was married to **Miss Eliza Ann Dunham**, both of **Hampstead** by the **Rev. James A. Smith**.

Feb. 17. (1848)

Mr. Robert Douglas married to- **Miss Hannah McOuchie** by **Thos. T. Hewlett, Esq.** both of the **Parish of Hampstead, Queens County**. They were published twice on Sabbath and once on Tuesday night last, but the Squire would not marry them without license, as to be published legally is on three successive Sabbaths, **Robt.** went to **Gagetown** and had to give 7 dollars for license.

Mar. 9. (1848)

Mr. Thos. Wellington Carpenter married to **Miss Elizabeth Slip**, 3rd daughter of **James Slip Senior**. - A very rainy day.

The Diary of Alexander Machum Jr. 1845-1849

June 8. (1848)

There was a boy of **Mr. Thos. Selfridge's** climbing a tree for amusement, and after he had ascended to

some height he came to an old limb, which projected from the trunk, upon which he seated -himself, having his legs a straddle it, - it broke - and sad to tell - the ' end of the part attached to the tree caught him in the abdomen, and ripped him so that a large part of his bowels gushed out - A man was immediately despatched for the Doctor (**Doctor Peters**) - who, when he came, which was about 10 or 12 hours afterwards said, that he could not do anything that would be the means of saving the boy's life, as a mortification had already taken place, neither could he, had he been present at the moment the accident occurred, have saved the boy's life, he died about 30 hours after - aged about 8 years.

June 12 (1848)

This is the District Orange Lodge Meeting for Queen's held At **Gagetown** at **Mr. Phillips**. There were about 50 persons in attendance everything went on very harmoniously and agreeably there was no grievances to be laid before the 3d Lodge only **Jacob Palmer** had previously been expelled from No. 23 And he made his appeal to be tried over again And by the decision of a Committee who heard the statements made relative to the case - his expulsion for 1 year was confirmed, and if his conduct should be satisfactory to the Members of the Lodge from which he was expelled, during this year then it was their option to accept or refuse him.

July 12 (1848)

The Orangemen of Lodge No. 41 started, with some of No.4, from **Mr. Nat. Inch's** between 6 & 7 o'clock in the morning, and went out to **Oakpoint** where there were 6 Lodges assembled and very great concourse of spectators - **Rev. C. Milner** preached a sermon to them from Ps. 133.1. "Behold how good and how pleasant it is for brethren to dwell together in unity!" The discourse, to say the least of it, was not appropriate to the occasion at all; there was nothing said relative to Orangmen or Orangeism in the whole excepting at the very last he had the Book of Rules and he said 'that he had perused it and that it was ' in accordance with his mind in supporting the Queen and the Protestant religion. he also referred to the late attempt to raise a rebellion in Ireland which he said, he thought was prevented by that body, (or Orangemen) that were located in Erin, We all left there (**Oak Point**) at ½ past 3, in the P.M. and came together to **Edgett's**, No. 41, then took the **Mountain Road** and arrived at the lodge room about half past 7 - We then had a sumptuous dinner. The day was extremely fine, though pretty, warm and spent with a great deal of pleasure, harmony and decorum attended all the proceedings. There were, I judge,

The Diary of Alexander Machum Jr. 1845-1849

about 150 to 170 Orangemen together. And a more temperate, steady, and respectable body of men is seldom seen.

Aug. 8 1848 (1848)

I was sleeping at **Mr. Nathaniel Inch's** and I dreamt that I was at **Mr. Joseph Moore's** and it appeared to me that the day of judgement was approaching - I thought I saw fire, as an immediate forerunner passing from East to West accompanied and followed by a great tempest. Yet it appeared to me that (or at least the impression on my mind was) the end of all things would take place as soon as this harbinger would complete a revolution round the globe which I thought could not be long, the velocity was so great. I felt considerably concerned and agitated about my own condition, and was earnestly engaged in appreciation that I might be received among those who would be eternally happy. - the air was very tempestuous and the clouds and the atmosphere were all in the greatest possible commotion and nature, to all appearance, was fast receding. Every object presented a scene of melancholy - However the time for all things to pass away did not come so soon as I expected and the air and clouds began to assume a more serene aspect and I thought I said to those then present that the end was not yet. And I thought I then heard some voice saying that the earth would make five annual revolutions ere the final dissolution of things shall take place. I then awoke and thought it was a dream, yet the impressions that it left upon my mind was not obliterated for many days.

Sept. 12th. (1848)

I started from father's, this afternoon, to go to **Fredericton** to the Training and Model School. and got as far as **Little River**, and attended on O. Lodge at **Mr. W. Leeds**. The next night I embarked on board the Steamer F-ton, at **Mr. Cases** at 12 o'clock, and got into F-ton at half-past 8 next morning. That evening I lodged with **Mr. Weeks** with whom I agreed to Lodge during my residence in **Fredericton** - 10/ per week.

Sept. (1848)

The potatoe crop has failed more this year, than ever it was known to fail in-any year-previous - There is scarcely 1/5 part of them fit to use, and in fact, there will, to all appearance be but few preserved fit for seed. The grain crop, especially the oats, is tolerably good, although the Buckwheat is, in some measure, blighted. The hay crop is very abundant. And the season, for the most part, was very favourable to secure the hay; but the harvest weather has been very fickle, and consequently much of the grain has had to

remain out a long time.

Sept. 16 (1848)

At the present, the weather is chilly for the season, having a little hoar-frost at night.

A CURE FOR DROPSY -1 oz. Jalap; 2 'oz. Cream of Tartar; ½ oz. Nitre; One large table spoonful of Ginger, all mixed in 1 pint of the best Holland gin; then let stand for 24 hrs. Take a wineglass every night before going to bed: always shaking it well and drinking the dregs. The above has been said to prove effectual when in first stage.

Sept. 30 (1848)

An affair of honour or rather dishonour came off this morning on the **College-road, Fredericton**. A few lines will describe the whole affair. There was a man named **Jones**, who came to **Fredericton** some years ago with some regiment in which he had a commission which he sold, and married a **Miss Street** - A few months ago it was discovered that he and a **Miss Odell** were very intimate, so much so, that they were frequently discerned together in a grove belonging to her father as late as 11 or 12 o'clock at night - the result was such that she went to the States to endeavour to escape calumny; and also her brother sent a challenge to **Jones** about that time which he then did not think proper to accept, but went to **England**, it is said, and has returned and accepted the aforesaid challenge; **Jones** chose his brother in law **Mr. Alfred Street** for his second, and **Odell** chose a **Mr. Pennefeather** for his. They then went out to a reserve road near the **King's College** to discharge the contents of their pistols at one another. **Odell**, I understand, fired rather the first which did not touch **Jones** who then fired his pistol into the air - so ended the great combat of love and dishonour.

Oct 14 (1848)

I walked from **Fredericton** to **Mr. George Donald's, Pennyock**, and returned on the 15th by riding to **Fredericton** with the **Rev. Mr. Jaffreys**.

Oct 6 (1848)

A most melancholy accident! **Brs. Hugh Cameron and Abbott** went out this morning into the woods in the vicinity of the **Oaknabog** each taking his gun with him for the purpose of shooting partridges. They went on through the woods till they came to a certain clearing where lived a farmer with whom they stood awhile conversing. And **Cameron**, who had a double-barrelled percussion gun, well loaded with shot, on attempting to cross a fence near where

The Diary of Alexander Machum Jr. 1845-1849

Abbott and the farmer were standing, placed the butt of his gun, which was a short one, on a pole of the fence near the bottom, which projected a little,, having his right hand placed upon the muzzles and bearing considerable weight thereon it slipped off which brought the triggers in contact with a lower pole which together with his weight caused the caps to be so suddenly and forcibly bruised upon the tube that they ignited and sad! Oh most sad to relate! the loaded piece was discharged, the contents passing through his right hand, thence, by taking three buttons of his vest, and tearing the bosoms of both his shirts lodging a few shots in his breast, almost the whole load of both barrels entered his throat passing out at the back of his neck. He instantly fell a lifeless corpse! He was interred in the cemetery near **Mr. McAlpine'** on Sabbath, the 8th, according to the order of the Loyal Orange Association. **Revd. Mr. Nobles** preached the funeral sermon Mon. from Heb. 12.25, 1st Clause, and it was considered that not less than five hundred persons were in attendance. Oh! the uncertainty of frail mortal life! little did he expect when he left his father's that ere he returned (which he intended to do about noon of the same day) he would be numbered among the pale nations of the dead; and have to appear in the immediate presence of Almighty God to give account for the deeds done in the body and then to receive that most decisive sentence! that will unalterably fix his state for -aye, either in infinite happiness or infinite misery and torment! How exceedingly important it is to be always ready for the summons of Death! for it oft comes in an hour when we least expect it.

Oct.20 (1848)

Died at **Rushagonish**, **Martha**, wife of **Mr. Thos. Jones**, leaving a family of 2 children. She had been lately confined. - She was daughter of **John and Nancy Hutchinson** of **Jerusalem**, and was a pious youth.

Nov.- 6th (1848)

At a Loyal Orange Soiree held in the **Lodge Room in Fredericton** at which there were 102 persons present. **Mr. Geo. Anderson** presided. The tables presented a most sumptuous appearance, having all-sorts of cakes, pies, tarts, &c. that were necessary to gratify the sight and satisfy the palate - After all had received tea and the tables &c were removed, the **Revd. Mr. Tupper**, Baptist Minister and Orange Br. was called upon to address the assembly upon the occasion of the present Convention, which he did by slightly touching upon the great deliverance

from the gunpowder plot on Nov. 5, 1605, the good that Orangeism has done in this Province, and then in warm and pathetic language, expressed the delight and satisfaction which he enjoyed by belonging to such an honourable and praiseworthy Institution, also that belonging to the Orange Association did not retard or embarrass him, in the discharge of his ministerial functions or duties, that there was nothing in the cause of orangeism to lead any person's mind from the principles of religion, and concluded by sincerely hoping that the ranks of Orangemen may still continue to rapidly increase with God-fearing men. The next that spoke was **Jas. Taylor Esq. M.P.P.** who expatiated at some length upon the present disturbed state of affairs in Europe and the corruptions, cruelties, and superstitions of the Papal Church; And then concluded by referring to the great amount of good done by Orangeism in the **Province of N.B.** in surpressing rioting Papists in different sections of the same.

The following persons were successively called upon to speak, which they did, but advanced nothing of very great importance, or that was very amusing,, except some laughable anecdotes that were related. Their names were **Brothers Harding, Wilson, Kindred**, and one from **Nova Scotia**, name unknown. Then there were several-Constitutional songs sung, and about 11 o'clock, the meeting was dismissed when many went away, as well as myself; but a great many stayed and had fiddling and dancing which, I understood, they kept up till 4 o'clock in the morning -: thus, the first Soiree at which I was ever present, passed off, and that most pleasantly too - N.B. The tables were set and furnished by **Br. Francis Cheney**, Confectioner, for which he received 1/6 a-piece - About 10 o'clock the dessert came on, which consisted of apples, raisins, and different kinds of nuts.

Nov. 9 (1848)

There was a snow-storm to-day, and the ground in **Fredericton** was covered to the depth of about 4 or 5 inches, which made a very good sleighing. The air is also pretty cold.

Nov. 13 (1848)

The river at **Fredericton** was frozen over so that on the 14th persons walked over upon it and for 5 or 6 days the weather was very cold indeed for the season. And now, the 22nd inst. it is still frozen so that the people cross in safety. Above **Fredericton**, about 6 or 7 miles, there were a

The Diary of Alexander Machum Jr. 1845-1849

man and boy drowned at the same place and time on the 18th inst. Steam-boats, however can get up as far as the Oromocto as yet.

Nov.20 (1848)

The following persons attending the Training and Model School, F'ton viz., Messrs.. **Isa Wallace, Jas. Dixon, Wm. Johnson, Jonas Clarkson, Jno. Cutten, Wm. King, Duncan McDougal, Donald Livingstone, Thos. O'Kane**, and myself, assembled in **Mr. d'Avray's (Principal of the Training and Model School)** for to submit to the necessary examination to obtain a first class Certificate. The questions were written, by **Mr. d'Avray** on a sheet of paper and handed to us, the aforesaid teachers, for us to solve on paper and then present the same to him. There were a great many questions. The commencement was to define a right, an acute, and an obtuse angle, a parallelogram, a rhombus, a rhomboid, an oblong, and a trapezium; Then followed several propositions, viz. 2nd, 3rd, 11th, 29th, 34th and 46th of the 1st Book of Euclid, which had to be described and demonstrated, then followed 6 questions in Algebra producing simple equations, then to name and define the general properties of bodies. To define a syllogism and give an example, To explain the cause of high water on the side of the earth. to the moon. That is, why there are two tides in 24 hours in every ocean at the same place. And lastly to describe a traveller's route from Gibraltar to Paris, thence to Antwerp, thence to Vienna, thence to Geneva, thence to Copenhagen, thence to Rome, thence to Athens, and thence to St. Petersburg.

New Brunswick Marriages Registered in Christ Church, Amherst, NS

Contributed by: Heather Long

Beginning in 1823, the marriage register of Christ Church Anglican in Amherst contains the names of many New Brunswick brides and grooms as well as a number of marriages that actually took place in Westmorland County. This list contains marriages where the location given is in New Brunswick or where the name of the place is not specified but both parties were from New Brunswick. While the rector appears to have submitted some of the marriages for inclusion in the Westmorland County Marriage Registers, the following were omitted. The original records are found on microfilm 11172 at the Public Archives of Nova Scotia.

Affairs with Old Houses, Personal Stories About Preserving Heritage Houses in Nova Scotia, ed Pat Lotz, paperback 9"x 6", 195 p; ISBN 1-55109-295-6; co-published by Heritage Trust of Nova Scotia and Nimbus Publishing, \$19.95.

Those who know me are familiar with the passionate, sometimes bitter fight waged and lost to save the Peter Combination Lock building on Church Street, Moncton in which I was involved with other staunch advocates for several years.

It is my personal opinion that genealogy and preservation of our built heritage are inseparable.

The struggle to save, restore and preserve buildings is quiet but consistent, and New Brunswick is well represented. On the national level, Jim Bezanson of Saint John is the current and able board chair of Heritage Canada, for example. Heritage Canada is a credible national voice which champions the saving of old buildings ... endangered lighthouses, for one.

Yet, despite the loss to parking lots of too many of our old buildings, there are also many inspiring success stories. *Affairs with Old Houses* chronicles 16 varied, candid triumphs of preservation and is a delightful read, as well as a trove of miscellaneous Maritime genealogical tidbits. Pauline Carter was inexplicably drawn to an old house in Pleasant Valley, Colchester. As a youth she had discovered some old papers stuffed in a tea box ... the hand-written will of her grandfather which that lead to her discovery that her father Clarence was adopted. That launched a seven-decade genealogical search ... sound familiar? Turns out that old house in Pleasant Valley was the birth place of her father, born out of wedlock in 1888. This taboo of Victorian morals was intended to be forever kept secret. And it might have been, but for Pauline's fascination with an old house. Her story of the Dartt-Carter house is as much about genealogy as it is about old houses. The Richmond House in Windsor, N.S. is another good example of the genealogy connection. From the early 1800s, the two-storey clapboard Georgian homestead was home to several families (Clarke, Haliburton, King, , MacNeil, MacDonald Maxner and Singer among them) before it was bequeathed in 1976 to the Heritage Trust of Nova Scotia. From the Dickey House in Amherst, the Doggett House in Truro, the Lennox Inn in Lunenburg to the Stone House in Port Hood ... you will be hard pressed to put this book down and will revisit it often.

Sunny Brae, A Village Since 1802, paperback, 8.5"x5.5" , 405 p, illustrated; \$30.; Pictou County Roots Society, 182 Dalhousie St., PO Box 276, New Glasgow, N.S., B2H 5E3; telephone: ((02) 752-9543; web site: < <http://www.parl.ns.ca/roots/> >

Clyde F. Macdonald has done it again.

The Pictou County, Nova Scotia judge with a longstanding passion for history and genealogy has produced yet another well-researched book destined to be a lasting essential text and reference. *Sunny Brae, A Village Since 1802* is Judge Macdonald's latest contribution. Launched late last year, this 405-page paperback chronicles his home village where he traces ancestry to Scottish immigrants William Cumming and Catherine Fraser. In an easy-to-follow chronological format, Macdonald presents his exhaustive research of Sunny Brae, known successively for its first 70 years as Upper Settlement, East River, then Fraser's Mills, then Pleasant Valley. From 1872 onward the village located about 18 miles upstream from New Glasgow on the East River was recorded and known as Sunny Brae (Brenna Hawina, in Gaelic.)

Photographs and important graphic illustrations in this book are both plentiful and pertinent. The well documented, well sourced volume deals in depth with people, their industry and their milestones, as well as their important social and cultural institutions and events. I was particularly intrigued by a controversy in 1875 over whether an organ in the Presbyterian church was a blessing from God or a curse of Satan. One elder stated he would never vote to have placed in the sanctuary "a box of tin whistles and if it is to come to instrumental music, then give me the bagpipes."

In 1912, another social tempest swirled ... this time involving a clergyman who snubbed his nose at a law, which prohibited the use of the new-fangled automobile on certain days of each week. All profits from the sale of this book are assigned to the Pictou County Roots Society.

On behalf of the Society. I would like to express my deepest sympathy to Sandra Devlin and her family on the death of her husband Rodney.

Tribute to E. Pearl (MacDonald) Wilson 1918-2003

It saddens me to acknowledge that our Miramichi Genealogy group has lost another very dedicated Founding Member. Pearl Wilson, who rarely missed a meeting, passed away Thursday June 5, 2003. I am sure she is rejoicing in God's eternal home.

This tiny, attentive lady appeared to be very shy. With a twinkle in her eye for anyone who knew her, she would share her genealogy research or a story of years ago. She just needed to be asked, Pearl was a very humble person who liked the simple things in life, such as spending time with her family, her garden and enjoying nature at her Black River residence.

Pearl, with your little smile and loving personality ... you will be greatly missed by your fellow genealogy members and always fondly remembered. Your fellow genealogist, Betty (MacGregor)McAllistersdmc@nbnet.nb.ca

Lionel Badeau

The death of Lionel Badeau of Mazerolle Settlement, NB, husband of the late K. Germaine (Boyce) Badeau occurred at the Dr. Everett Chalmers Regional Hospital in Fredericton on Saturday, July 12, 2003. Mr. Badeau was born January 20, 1929, in Lac Mégantic, Québec. He was a son of the late Victor Badeau and Marie Louise Lavallée. He was employed for 30 years with the Province of New Brunswick. He was a member of Holy Family Catholic Church in Fredericton. He was a Past Grand Knight and an Honorary Life Member of Council 1942 of the Knights of Columbus, a Past President of the Capital Branch of the New Brunswick Genealogical Society and a member of la Société de généalogie de Québec.

Sandra Devlin's Husband Rodney

The death of Rodney Vernon Devlin, Sgt. CD1 (Ret) Royal Canadian Air Force, 56, of Weston Street, Moncton occurred Monday, July 28th at The Moncton Hospital after a courage battle with cancer. Born Nov. 18, 1946 in Toronto, Rod was the second son of the late Eric C. and Jean Bernice (nee: England) Devlin.

Rod was first and foremost a faithful, loving family man. His passion was his motorcycle.

He retired from the RCAF in 1989 after 23 years service as a meteorologist. He was most recently employed by ADGA Group as weather station manager, Moncton International Airport. He was an adherent of the Harrisville United Protestant Church.

During his military career he was posted in Edmonton, AB; Winnipeg, MB; Trenton, ON; Portage la Prairie, MB; Baden, Germany; Canadian NORAD, North Bay, ON and Prince Edward Island. His last posting was CFB Summerside. In 1984 Rod was presented with a Professionalism Award issued by the Commander of Canadian NORAD for outstanding emergency response, assisting the safe landing of a troubled aircraft in Northern Ontario. Loss of pilot's life averted.

Book for Sale

Frank Towse: a Seaman's Memoirs 1867 to 1886 is a true story by a New Brunswicker who went to sea with his father, Capt. Elisha Towse, from the age of 7, in 1867. Elisha, his wife Maria (Bennett) and their children lived in Sackville, (the area called Westcock at the time), where he had his own dock for his successive sailing ships. Frank writes of his travels to the Caribbean, South America, Great Britain, Spain, Turkey, and Odessa, a Russian port on the Black Sea, until he was an adult. The story will be of particular interest to genealogists and historians, especially regarding New Brunswick families and maritime lore.

The book by and about Frank Towse has been compiled, transcribed, edited and published by Gail Browne, a descendant of the Towse family. She has added indexes of people and ships, glossary, footnotes, maps, colour illustrations, line drawings, and genealogical chart. The book is 8.5" x 11", softcover, 50 pages. It is available for \$25.00 plus shipping from:

Mrs. S. Gail Browne, 30 Northcrest Dr., London, Ont., N5X 3V8; e-mail: erbrowne@sympatico.ca.
