## LETTER FROM THE EDITOR

I was very fortunate in being able to travel to Canada (for the 3rd time in 5 years) during the last two weeks in May. This was a vacation trip, and the first time I've been a tourist there. Since so many readers have indicated plans to take a similar trip this summer, I will make some comments and suggestions that might help. To research in the Courthouses in Quebec, you must write early for permission. ATTENTION: the address I gave to some was correct, but it lacked the name of M. Pierre Dorion, Directeur des Greffes, 225 est Grande-Allée, Quebec, Quebec G1R 3G3. My letter, addressed to the same building, received no action or reply. You must have the letter of permission with you when you reach the Palais de Justice in any city. There are new regulations about consulting the registers - one of which is that records after 1850 are closed. To research in the National Archives in Quebec, Trois-Rivieres, or Montreal, write the Genealogy Section, 1180 rue Berthelot, Quebec, Quebec G1R G3G. You need not apply in advance for permission to research at the Public Archives of Canada in Ottawa. Upon arrival, sign at the door, and you will be directed from there. Assistance is generously given.

Therese Gravel has said that if you are in Montreal and wish to call her, the number is 279-2487. Speak slowly at first, in case someone else answers the phone. She met me at the Montreal Library (corner of Sherbrooke and Montcalm) and we had a great visit and work session. I regret that it wasn't convenient to work in the Provincial Archives at Toronto, so that had to be passed up. However, there was no way I could be in Ottawa, Montreal, or Quebec without working. (No one in the family really ever did believe it was going to be all vacation). Each trip I have learned of more resources and suggestions to help you all. If your travel takes you through Sparta, be sure to stop and call.

At the time of our trip, the premium on the American dollar, or travel check, was as high as 11%. We learned to ask if they gave the premium before cashing checks, as some places didn't. By the time you read this, the Canadian dollar could be at the premium. We Americans all know we should be learning the metric system, but we put it off until forced, and the brain has to switch gears quickly. Remember that a kilometer is  $\frac{5}{8}$  of a mile - you can quickly convert by dividing the kilometers by 8, then multiplying by 5. To convert Celsius to Fahrenheit, double the C. reading and add 32 - as the temperature gets higher, you have to subtract a few degrees. These are rough conversion methods only, but a rule of thumb to help your plans.

Hospitality all over was very high, and courteous patience hurdled the language barrier. The best aids to travel are the Tourist Information books which may be ordered from Canada, which takes several months, or from the nearest Canadian Government Office of Tourism. These are located in Atlanta, GA; Boston, MA; Chicago, IL; Cleveland, OH; Detroit, MI; Los Angeles, CA; Minneapolis, MN; New York, NY; Philadelphia, PA; Pittsburgh, PA; San Francisco, CA; Seattle, WA; Washington, DC. Be sure to state your destination, route, and interests. I also remind you to take proof of citizenship such as birth certificate, voter registration card, or passport (expired will do).

A few personal observations (others may disagree 100%): Upper Canada Village was well worth the admission and Big Nickel park at Sudbury was not. Had we read the brochures more carefully, we would have known. The Provincial Park System is excellent. We found that we felt more secure staying at a "chain" motel in the large cities. For the few extra \$\$ we knew where to find it, we knew the rooms should be clean, and the children got some exercise in the pool.

It was again pointed out to me in Canada, the great need for published records in the border states, especially VT, NY, ME, MI, WI, MN. NH has already published many. Since access to civil records has become more limited (in some places closed) we have to turn to church records. Why not contact the pastors of the old parishes in your area and point out that it may make it easier for him when he receives a genealogical request. Your area or state genealogical society may wish to publish, but if not, contact me. I think this material needs to get into print, as is being done in Canada. State governments seem determined to rob future

# QUERIES

Readers are asked to please direct their correspondence to the questioner; however, I do appreciate being informed of your solution so the query can be removed from the "hunt list". Remember that \*\* after the parents names in an answer means that their marriage and ascending line will be found in Tanguay and/or Drouin. Answers are printed because in French-Canadian genealogy especially, one "found" marriage may provide the answer for many researchers. Vf--widower, and vve--widow.

VINCENT

Trying to trace pts and anc of Francis Edward VINCENT and  
bro George. Francis E. b ca 1839-45. 1871 census Twn Port  
Hope, Durham Co, Ont shows him as 26 yrs, a sailor b PQ,  
French origin and Roman Catholic. Wife Mary age 25, b Ont  
a Presbyterian. However, there are other facts which are  
confusing. His Master's Cert as Pilot for boats on the  
Great Lakes, says he b East Williamsburg, Ont 12 Oct 1842.  
His d cert issued at Spencerport, Monroe Co, NY says he b  
Montreal, PQ. He d 26 Oct 1930 age 91 yrs, 14 days, which  
would make b yr 1839. That cert says fa name Francis and  
mor name unkwn. Francis E. m ca 1870 Mary THOMPSON (dau of  
Alexander) of Port Hope, who predeceased him, date unkwn.  
Both bur Union Cem, Port Hope. Ch: Francis; Charles; James;  
Andrew; Letha m Herbert GREGORY; Cleone m Harry HOLDAWAY;  
Eden. Some went to USA. George (bro of Francis E.) m Lanie  
GARLOUGH and lived at Morrisburg, Ont. Ch: George Jr; Sarah  
m HARPER. Fam trad is that Francis E. was brought up by an  
"Irish" step-mor and he retained his religion til after m,  
and perhaps for some time to come (accord to 1871 census).  
Same page of that census is fam of Charles DOEBLER age 40;  
wife Charlotte age 39, she b PQ, French origin, R.C.; dau  
Flora age 5, b PQ. Living with them were Harriet VINCENT  
age 34, b PQ, Fr origin, R.C. and Louisa VINCENT, widow b  
PQ, Fr origin, R.C. The ch of Francis E. remembered their  
aunt Charlotte DOEBLER. Charles was a furrier in Port Hope.  
Assuming Francis E. may have been b E. Williamsburg, Ont,  
some effort was made to locate data on VINCENTs of that area.  
Public Archives has Land Petition of Marilla VINCENT, wife  
of Francis and dau of U.E.L. Henry CASSELMAN of Williamsburg.  
Francis was of Osnabruck Twp where they were living at time  
of Petition 9 Oct 1838. A bond of £200 had been issued for  
license of Marriage for Marilla CASSELMAN and Francis VIN-  
CENT 22 Sep 1838 Cornwall, Ont. Bond posted by Erastus  
STEARNS and Warner CASSELMAN, Marilla's bro. Obviously m  
took pl and she was then entitled to a land grant as dau  
of a U.E.L. Osnabruck Twp is now in Stormont Co, and next  
to Williamsburg Twp, Dundas Co. A CASSELMAN researcher  
said Francis was a marine engineer and moved to Lachine, PQ  
and Marilla d there. However, the researcher did not sup-  
ply source of info. It is hoped Tanguay or Drouin may have  
recs which will be of help.

Tanguay cites no date nor place to support the supposition that Jeanne ALARD is the dau of Francois and Jeanne ANGUILLE. He does admit (Vol. 5, p. 427) that Guillaume LONGPRE is "Anglais de nation".

Volume 1 of the reports of the Nova Scotia Archives has a list of the "Families of English, Swiss, etc., which have been settled in Nova Scotia since the year 1749, and who now are settlers in the following places". Date: July, 1752 Halifax. The list is printed here (in alphabetical order) without the numbers. This census listed the "Head of Family" and numbers of "Males above 16", "Females above 16", "Males under 16", "Females under 16", and "Total". If anyone wishes that information, I'd be happy to supply it for SASE, or you may consult the above named book.

Research is often aided by the use of Atlases and County Histories. Many of these old books are available in reprint. Some have an added complete index of names. In response to numerous requests, availability and ordering information is given here.

Peterborough County (Ontario) Historical Atlas 1825-1875 was published with updated material, and may be ordered from: Peterborough Co. Atlas Foundation, Box 142, Peterborough, Ontario.

There also reprinted histories, and new works, of many Ontario counties and settlements, as well as some works from Nova Scotia, Quebec, New Brunswick, and Newfoundland. I urge you to write for the free catalog.

Also, now available on microfilm through Inter-Library Loan from the Public Archive of Canada, 395 Wellington Street, Ottawa, Ontario K1A 0N3 is the card index file to the Upper Canada Land Petitions and Grants. Order the microfilm for the surname you wish to search. If your people are there, you may then order the microfilmed Petition or Grant. There is often a wealth of information there, especially on the Petitions. I am uncertain whether the card index file for the Petitions and Grants for Lower Canada (Quebec) has also been microfilmed. Also available is the index to the Military C Series, and plans are made to film the Marriage Bonds of Upper Canada.

## REFERENCE SHELF

GENEALOGICAL NEWSLETTER OF THE NOVA SCOTIA HISTORICAL SOCIETY - note new ordering information. Subscription is \$6 per year to Mr. Philip Hartling, 3 Scotsburn Ave., Dartmouth, N.S. B2X 1P8. Back issues are no longer available, but I do have them all and will consult them. Current publication project is the 1827 census.

Suggested as of possible interest - THE BEAVER MEN by Mari Sandoz, University of Nebraska Press, Lincoln, 1964. Interesting background on the fur trade.

TOPEKA GENEALOGICAL SOCIETY QUARTERLY, Box 4048, Topeka, KS 66604. Vol. 8, #2 (Apr 1978) contained the passenger list of the "Salier" from Germany to NY 1882; 1880 census Grant Co, KS; Grantor-Grantee Index Shawnee Co, KS; other primary Kansas research material and member Ahnentafels. Membership is \$6 per year.

THE YELLOWJACKET - quarterly of the Great River Genealogical Society, c/o Quincy Public Library, 526 Jersey, Quincy, IL 62301. Vol. 4, #1 (March 1978) had a list of 1849 Cholera deaths in Adams Co, a cemetery in Lincoln Co, MO, as well as many other items to aid the researcher in this area. Dues are \$6 per year.

KANSAS KIN published by the Riley County Genealogical Society, 2224 Stone Post Road, Manhattan, KS 66502. Vol. XVI, #'s 1 and 2 (Feb and May 1978) published primary material of the area, member Shnentafels, Bible records, etc. Dues are \$5 per year.

SMITH SAGAS, Vol. 4, #1 (Mar 1978) has a great deal of family information. Published by the editor of FISHER FACTS (ordering information with Exchange Shelf), it is very well done, and certainly an aid to someone looking for their needle in the haypile of SMITHs.

FAMILY PUZZLERS No. 540 (Feb 23, 1978) is printed weekly by Heritage Papers, Danielsville, GA 30633, for \$16 per year. 5 x 8 $\frac{1}{2}$ " format, contains many queries and answers, pertaining mostly to early Southeastern USA. Suggestions to solving specific puzzles as well as general ideas appear to be given by one quite knowledgeable.

MELANGES GENEALOGIQUES - CAHIER VII - by Raymond Gingras. The latest in his series of notes on French-Canadians, there is a list of early settlers whose surnames end in a, as, and at, their origin in France and location in Canada. Also a list of colonists from Fontenay-le-Comte in Poitou who came to New-France in the 17th and 18th centuries. There are many other interesting tidbits of information from this knowledgeable genealogist of Quebec, who is also interested in tracing those who came to the USA. In French, and I assume the cost is still \$2 although it was not noted in this issue, it may be ordered from the author at 39 ouest St-Cyrille, Apt-5, Quebec, Quebec G1R 2A3.

NARRATIVE OF A VOYAGE TO QUEBEC, AND JOURNEY FROM THENCE TO NEW LANARK, IN UPPER CANADA by John M'DONALD 1823. When M'Donald arrived in the New World, he found the hardships worse than anything imagined. His chronicle of events, which give insights into the life and times of the early Ontario settlers, is rather startling. The reprint may be ordered for \$3 from Canadian Heritage Publications, Box 3794, Station C, Ottawa, Ontario K1Y 4J8.

Protestant records in Quebec: a letter from the pastor of Christ Anglican Church at Rawdon says they have unindexed parish registers back to 1820. It is necessary to have a complete name and reasonably accurate date. Copies are \$2.50 each, payable on application. Early history of the parish - records were kept at Montreal, Joliette, St. Jerome and Quebec. Our duplicate records are at Joliette. The local United Church burned last year and their old records destroyed. Duplicates are at Joliette. Prior to 1925, the United Church records would be listed under either Methodist, Presbyterian, or Congregational.

The new Prothonotaire at Joliette says: need name of mother, father, date and year of birth, name of the parish. Both request that you write in French.

Another good source: Presbyterian Church in Canada Archives, c/o Knox College, 59 St. George St., Toronto, Ontario M5S 2E6. Since they have not been charging, I urge you to send some money (in order to keep this beautiful source co-operating).

LETTER continued from page 104: generations of their personal heritage in the name  
of "right to privacy". This specter looms again in WI, and I urge you all to watch  
for such pending legislation and let your representatives know how you feel about  
it. They can't pay attention to letters they don't receive.

Postage for 1st Class mail from Canada increased to 14¢ as of April 1, and now  
our US system has raised prices to 15¢ for 1st Class. After the last postal strike  
in Canada, a wag said that they had to raise prices in order to build a storehouse  
for all that undelivered mail! Because 3rd and 4th Class rates have zoomed as well,  
I find I'm forced to increase rates for new subscriptions. I have absorbed 3 in-  
creases in paper costs, 3 increases in postage, and 4 increases in ink, and now  
have to pass the higher costs on - wonder why there is a problem with inflation??  
All back issues have been reprinted, and I ask you to add more to the postage  
charges listed in the April issue, page 97.

With all of the queries in the April issue, would you believe I missed about 5  
pages in the mock-up?! The worst part was that they were all queries that had been  
received too late for January and should have had the highest priority. I found  
the pages the day after mailing. My sincere apologies to those persons. Again,  
the queries section was overwhelming. Extra pages were added, but still articles  
had to be cut. This issue will be mailed about a week earlier than usual, because  
of the possibility of a postal strike in late July. GOOD HUNTING!

P.S. Since there is an inch or so of space left, I would like to report on the  
latest developments in the "closed records" department. A friend and I went to  
Wabasha Co, MN to do research, only to learn that the records have been closed to  
personal searching since about June 1. They will search for you for a fee. This  
occurred last Fall in several Wisconsin counties, but they were later opened on  
the order of the Attorney General. Because the Constitutions of WSHS and WSGS  
prohibit the use of monies to influence legislation, it may become necessary to  
form a sort of "Citizens Committee". Please let me know if you would become in-  
volved in this - such as writing letters etc. and possibly donating funds in the  
event it became necessary. Past proposals in this state have been to even prohibit  
access to the information contained on the records, by mail for a fee. In other  
words, the information is to be locked up tight.

## LETTER FROM THE EDITOR

This Letter is full of requests for opinions from you. Since the publication exists for the subscribers, my decisions are greatly affected by reader response. One of the largest problems with the October issue is the amount of space taken up by the Annual Index. There were 5 pages of "Late Queries" that couldn't be printed and of course, many articles. The Reference Shelf was pared to the bone and the Exchange Ads were deleted. Would you prefer that in future years the Index be sold separately to those who wish it? This would take care of the problem of leaving out articles and queries. Or would you prefer that I continue the practice of publishing the Index in the October issue? Would you like to see a separately published cumulative index that would include all four volumes with a key to which issue contains the surname?

It has been mentioned that the use of 2-letter state abbreviations is silly and a result of brainwashing by the Postal Service. I use them for the very simple reason that it conserves space, and should be pretty well standard by now. How do you feel about this?

To follow up my Letter in the April 1978 issue regarding the review in "The Genealogical Helper" - I wrote the Review Editor on January 31 and received no reply. Then on August 7, I again wrote because their July issue published the same inaccurate old rate. Finally I received an explanation and an apology, but a correction and/or ad could not get in their September issue and will have to wait for November. This will be just about a year since the problem began!

It has been brought to my attention several times that persons in the USA have sent cash to churches and/or other records repositories in Canada and have received no answer nor their cash returned. I'd suggest you send a check or postal money order.

The infamous Proposition 13 has cut back services in areas of California where libraries will not borrow micro-film on Inter-Library Loan even though the patron pays the costs. Have they lost the definition of "Library"??

Thank you to all who sent local information regarding open records status. Several of us met with the head of the Minnesota Vital Statistics (at his invitation to supply some ideas for implementing their new law. Nothing definite has come of it at this time. WSGS is meeting with the Wisconsin bureau, and I will keep you posted.

All back issues have now been re-printed, and are available at the new rate of \$7 per year (or 4 issues) and \$13 for 2 years (or 8 issues). If you wish to receive your order before the next bulk mailing, which is usually the 1st week of the publication month, please add postage of 50¢ per issue for up to 4 copies. Over 4, add 35¢ per issue. Single copies are \$2 plus 50¢ postage. I can only send about 4 or 5 with the bulk mail.

You will notice a new mailing envelope this time, and I would appreciate knowing if it holds up sufficiently. Since March 1 when I bought paper, the cost increased by 5% in June and now it went up another 5%. Envelopes also rose in price twice in that time for an increase of 33%! 3rd Class postage went up about 35%. Obviously I have to hold down the weight (number of pages) so that it does not fall into the next weight category. I decided not to purchase the expensive envelopes again, but to try this much less costly one that many others are using. Every price increase in supplies (ink must be made of yeast because it raises every time I buy) means that much less to spend on reference material. (Just as a point of information - that is where all of the profits go.)

I would like to publish a listing of Canadian cemeteries that have been copied and where to obtain the information. OGS and branch societies, OHS, PAC, and the Provincial Archives have many on file. Some have been published, and others are private works. Please send any additional information on this subject that you might have, especially concerning cemeteries in the Maritime Provinces and Protestant cemeteries in Quebec. Some Quebec marriage repertoires have included death records of the parish.

This issue will be mailed early since there is the possibility of a Postal strike in October and I would hope everything has been delivered before that time, if it happens. GOOD HUNTING!

# QUERIES

Readers are asked to please direct their correspondence to the questioner; however, I do appreciate being informed of your solution so the query can be removed from the "hunt list". Remember that \*\* after the parents names in an answer means that their marriage and ascending line will be found in Tanguay and/or Drouin. Extensions to lines are kept on the "hunt list" until the answer contains \*\*. Answers are printed because in French-Canadian genealogy especially, one "found" marriage may provide the answer for many researchers. Vf--widower, vve--widow, and sib--siblings (brothers and sisters).

## MISPLACED IN CANADA

submitted by Ellen THORNE MORRIS, 228 Elberon Avenue, Allenhurst, NJ 07711

I spent the early part of my life in Egypt where my father was a navigator for TWA. I know all about the kings of Egypt and played in the sand around their pyramids. I was going to grow up to be an archaeologist and dig happily the rest of my life. The Suez Canal War of 1956 changed the nature of my digging. When my family returned to Staten Island, NY, we were greeted with love and genealogy. Perhaps because I had never had a concept of family before, I became absorbed with new cousins and stories of ancestors. My father and aunt would joke around the Sunday family dinners about "the rabble down the street that won the war" and "if we only had won the war we would own a large part of New York State".

I daydreamed through high school reading historical novels and archaeology books and wondering where the lost land was and how it was lost. I was most impressed with the discovery of Troy through the faith of a legend, and thought of how to do my own research by starting with the names of the legend, Lemuel WILMOT and Samuel Street WILMOT and John STEGMANN.

I was taken to Newcastle, Ontario, Canada, to visit relatives and the graves of my grandparents. I copied down tombstone names and church records. All the relatives knew the family was a very old one but none had details or proofs. I did see a historical atlas which described my great great grandfather as the first Fisheries Commissioner in the Western Hemisphere and included drawings of his fishery. The Atlas called Samuel WILMOT a descendant of an old UEL family, but no details again.

After high school I read Doan's How To book and visited a historical society in New York. They were very helpful to young visitors and guided me to the Jacobus Index (to genealogical articles since 1850's) which had a WILMOT family and gave reference to the New England Historical and Genealogical Register. These volumes were in the next room and I read and copied as fast as I could the notes about Lemuel WILMOT, a Loyalist who went to New Brunswick after the Revolution. I was elated. Next, I found out that Donald Lines JACOBUS, my distant cousin, had also written FAMILIES OF ANCIENT NEW HAVEN, which had even more family information about Samuel, the grandson of Lemuel, who was the Fisheries Commissioner in Newcastle, Ontario. All this in two hours at the historical society. At 18.

As you know, a genealogist never stops, they just turn a new page. JACOBUS had documented my line back to the 1630s and had almost all the other ancestors included in his one book. I have since established the line at the United Empire Loyalist Association, and hope many of my Canadian cousins will join too. My hope is to publish a pamphlet on all the descendants of Lemuel WILMOT of New Brunswick.

XX

Volume 4, page 153 began a list of persons that was published in Volume 1 of the Nova Scotia Archives - "Families of English, Swiss, etc., which have been settled in Nova Scotia since the year 1749, and who now are settlers in the following places". Date: July, 1752 Halifax. The list is continued here in alphabetical order without the numbers. This census listed the "Head of Family" and numbers of "Males above 16", "Females above 16", "Males under 16", "Females under 16" and "Total". If anyone wishes that information, I'd be happy to supply it for SASE, or you may consult the above named book. The earlier published list was of the persons living in the North Suburbs of Halifax, and in the South Suburbs of Halifax.

#### REFERENCE SHELF

(With sincere apologies for the brevity of reviews because of space limitations. Periodicals were set aside and will be reviewed in the January 1979 issue.)

THE CANADIAN GENEALOGICAL HANDBOOK, 2nd Edition, Eric Jonasson. This is a much expanded, improved, and up-dated version of his earlier work. Truly a must for libraries and Canadian genealogists. This will be an essential work for anyone searching families in that province and belongs on every reference shelf.

TRACING YOUR ANCESTORS IN MINNESOTA - A Guide to the Sources, Volume 1, by Wiley Pope and Alissa Wiener. This excellent work by a knowledgeable genealogist who is employed in the Library of the Minnesota State Historical Society is so full of information that I am only beginning to realize how many sources I've ignored in that state. Order from Wiley Pope, 718 Sims Avenue, St. Paul, MN 55106, for \$7.50 by mail, or pick up a copy at the Library Book Shop.

The following family histories and genealogies were received from the authors, who I am sure are willing to share information. Ordering data was not included with most, and not all have extras for sale. Write the author. All are of French-Canadian families from PQ to USA.

Fully indexed and includes illustrations. Carol Ward Ryan, 201 West Whitney Street, Green Bay, WI 54301.

WANTED: Researcher writing book about Samplers - interested only in those with a Canadian connection. Please write with description and photo, if possible. If used in book, proper credit will be given, as directed by owner.

Hyla Fox, 114 Bombay Avenue, Downsview, Ontario M3H 1C3.

The EXCHANGE SHELF is being eliminated for this issue - see the July issue for information, with these changes: MIDWESTERN HERITAGE did not resume publication in September, but is continuing to publish THE NATIONAL GENEALOGICAL INQUIRER.

Cost of ELLIOTT EMPIRE is \$10 per year, or \$3.30 for a single issue.

Cost of ACADIAN GENEALOGY EXCHANGE is \$5 per year, or \$6 for Canadians.

The deadline for queries in the January 1979 issue of LOST IN CANADA? is November 15, 1978. Please try to meet it where possible so I can spend Holiday time with my family and maybe even decorate the house again!
