LETTER FROM THE EDITOR

I would like to apologize for the poor quality of printing in this issue. Things should have been great, with my new memeo and a brand new typewriter which has an element instead of keys, and a correction feature (which I use a lot). But there have been some big problems. When I tried it out it cut a beautiful stencil. Several weeks later when I purchased it, the quality of stencil cutting dropped to 0. Even though I tried three different brands and qualities of stencils, nothing seemed to be consistent. Hopefully, by the May issue the problems will be solved, at least with the typewriter. It seems some piece of equipment manages to give a problem with each issue.

The index to Volume 5 is being sent with this bulk mailing to those of you who had ordered in advance. However, there were only about 90 orders! There is a tremendous amount of work involved in preparing an index, and it seems ridiculous to go to all that work and expense for so few orders. Until I have a computer, there won't be an index printed again, although at that time I will try to catch up with prior volumes. Or, is there a reader with a computer that would be willing to do the index for me? I am willing to print it, just unwilling to do the labor. It took over two weeks of 8 hour days, doing nothing else, just to put the names on the index cards.

Those of you who have research interest in the Provinces of Newfoundland and Prince Edward Island must be aware that there doesn't seem to be a lot of resource material easily available. It appears the basic research tools are the Union List of Manuscripts, the Preliminary Inventory of Manuscripts, and correspondence with the Heritage Foundation (of P.E.I.) and the Provincial Archives of each. If any of you have some additional suggestions, send them to me and I'd be happy to pass them on to others. More and more subscribers have families who lived there and I'm embarrassed that I can't seem to make many suggestions. Census records were few and far between and list head of family only. Can anyone comment on the level of co-operation when writing for information?

Just inside the back cover you will find a registration blank for attending a seminar in Sparta in Spril, at which Benoit Pontbriand will speak. When I learned he would be visiting us I realized that there were likely many people within driving distance that would like to meet him and learn from him, so I asked him if he'd like to do this. He readily agreed. You who have French-Canadian background know of him as the publisher of over 100 marriage repertoires of Quebec. He is an experienced genealogist and very knowledgeable about Quebec research. He lives near the Archives in Quebec and can inform you of the holdings, and will also talk about Protestant research in that Province. Jim Hansen, genealogy reference librarian at the Wisconsin State Historical Society library, has consented to also appear. You may not be aware that Wisconsin has one of the most complete reference collections of Canadian material outside of that country. Every time I go there I find a new section that seems like finding a goldmine. We will have a panel discussion in the afternoon and a question and answer session that should help many with their research. This is certainly not limited to those with French-Canadian background and should prove rewarding for anyone attending. We hope to see a lot of friends from neighboring states. Sparta is easy to drive to as it is on the Interstate, located between Tomah and LaCrosse. There are motels here, and either of the other cities is an easy drive in the morning for those who wish to come the night before. We will send you a map showing directions to the City Hall after receiving your registration.

Please note the rate increases for display ads and non-subscriber queries. Also, a request for Canadians to pay in US funds or the equivalent.

The National Genealogical Society has pointed out that the General Services Administration has issued orders to disperse many of the collections of the National Archives in Washington to the regional branch closest to their source of origin. What a tragedy that would be! Address your protest to David Rubenstein in the Office of Assistant to the President for Domestic Affairs and Policy, The White House, Washington, DC 20500. Letters may also be sent to your Senators (Washington 20510) and to your Congressmen (Washington 20515). GOOD HUNTING! and the best of all to everyone in the new decade.

QUERIES

Readers are asked to please direct correspondance to the questioner; however, I do appreciate being informed of your solution so the query can be removed from the "hunt list". Remember that ** after the parents names in an answer means that their marriage and ascending line will be found in Dictionnaire Genealogique des Familles Canadiennes (Tanguay, 7 volumes) and/or Dictionnaire National des Canadiens Francais (Drouin, 2 volumes). Acadian lines may be found in Acadian Descendants (Jehn, 2 volumes) and/or Histoire et Genealogie des Acadiens (Arsenault, 6 volumes). Extensions to lines are kept on the "hunt list" until the answer contains **. Answers are printed because, in French-Canadian genealogy especially, one "found" marriage may provide the answer for many researchers. These are some of the abbreviations used in queries. No periods are used. There are no specific rules for queries, but some advice: mention a time era and place if you can. Long queries have been paid extra for the privilege, but more advice: they don't seem to receive the attention a shorter, more specific one gets. Do not use abbreviations when submitting queries - I will convert them to the standard used. If you are sending a number of queries for future issues, please submit each on a separate sheet. If you want a query to run each time (which I think is very unnecessary) please submit it each time - they have a tendency to get missed.

Marriages in the parishes of St. Andrews East Anglican (1812-1849) and Presbyterian (1818-1850), County Argenteuil, Quebec. These are taken from the microfilm reel C-2905, which was a copy from the original and is available through Inter-Library Loan from the Public Archives of Canada. The copier made a number of errors, and at times the handwriting was very unclear. Although the names of the parents of the bride and groom were not stated, often the man's occupation was noted, and the place of residence of each. Baptisms and burials are also in these registers. This is being published to give a possible clue to the researcher who only knows his family was from "Canada", and also because there was such a mixture of Anglo and French names. The following abbreviations will be used for reasons of space:

Arg--Argenteuil	RR--Riviere Rouge/Red River
B--Buckingham	SA--St. Andrews
C--Chatham	SB--St-Benoit
G--Grenville	SE--St-Eustache
H--Hawkesbury	SS--Ste-Scholastique
L--Lachute	UC--Upper Canada (Ontario)
M--Montreal	V--Vaudreuil
R--Rigaud	w--widow/widower

Where no location is named, the persons are presumed to be members of that parish where the marriage occurred. The symbol P following the date denotes it was at the Presbyterian church.

ATTENTION - new rates for display ads and for non-subscriber queries -

These two areas have needed revision for a long time because the rates have been far too low for the amount of work involved. \$5.00 minimum for display ads.

Display ads will now be \$1.00 per typewritten line. Send your typed ad exactly as you wish it to appear. The following example would cost \$7.00 per issue.

LOST IN CANADA?

Canadian-American Query Exchange

Quarterly publication containing queries and articles pertaining to research in Canada and for Canadians researching in America.

Also, general reference material and book reviews.

\$7.00 per year. \$13.00 for 2 years.

Mrs. Joy Reisinger, 1020 Central Avenue, Sparta, Wisconsin 54656

Non-subscriber queries will increase to \$5.00 per issue and will include a copy of that issue. If the person subsequently subscribes before the next issue, part (\$2.00) will be applied to the subscription price of \$7.00. The irony is that non-subscriber queries require more book work and attention than subscriber queries do, and it has actually turned out that the query was free!

Space in LOST IN CANADA? has become such a premium, that I feel it should be used for the subscribers.

FOOD FOR THOUGHT.....

In our ceaseless struggle to keep public records open to the public, we occasionally have to step back and take a look at ourselves, to be certain that we aren't guilty of inconsideration. The following letter has been circulated among the keepers of vital records in our state, and I'm counting on the basic good sense of humor of genealogists to read this with tongue in cheek but also while examining our own consciences. Although this letter is obviously contrived, a Register of Deeds in Wisconsin recently received one with 27 pages of request, with \$4 enclosed for expenses!

Dear Vital Records People:

I would like to have you send me some records on my well-known Wisconsin ancestors, as I am applying for membership in the prestigious Sons and Daughters of the Bay of Pigs Society. I know my ancestors came over here from Europe very early, but the problem is, some of them went back.

Please conduct a thorough search (tell your people to careful!) for the birth record of my great-great-grandfather John Smith. It should be no problem to find it. I know he was born between 1745 and 1789. I'm sure it's registered because he was always a very conscientious person. If not in Wisconsin, please check Michigan, Minnesota, and Illinois. If you have lost it, please make up a new one and send it instead. I know it was in a county that begins with a W.

Also, my grandparents were married in Wisconsin sometime between 1860-1910. Their last name was Johnson, but I don't know their first names. Please check Johnson, Jonson, Johnsen, Johannsen, Johanson, Hojanson, Johansen, Johensen, Jensen, Jenson, Jelson, Jelsen, Elsen, Olsen, Olson, Oldson, Odinson, Adinson, Andson, and Anderson.

Could you tell me how many children John Smith had, whether they were born in Wisconsin, where they died, who they married, and whether they left an estate?

And I need a copy of my confirmation record. I don't remember what town or what church, but I'm sure you'll have it.

One other thing--and this is very important--the name on my birth certificate says: Mary Jane Jones and I want to change it. When I was in high school I started calling myself Glenda LaFlamme after my favorite actress, so I want you to make me a new birth certificate right away so that it will agree with the name on my magazine subscriptions, bowling team shirt, and other important identification.

I will appreciate a response by return mail. If there are any fees, please bill me, although I should think my high taxes would be enough.

Sincerely, Glenda

P.S. When you change my birth certificate, please make the birthdate October 24 instead of July 9. I always wanted to be a Scorpio.

Correction to the address given on page 111, Volume 5. The address for the Archives Nationales of Trois-Rivieres is 225 des Forges, Suite 108, Trois-Rivieres, Quebec G9A 2G7. I had written asking them to check a parish register for the parents of a couple who were married at Ste-Victoire. The reply was a form letter indicating that the civil registers of the District and the notary records prior to 1875 are at Palais de Justice, 250 Laviolette, Trois-Rivieres. I am still uncertain where the parish registers are housed.

MORE FOLLOW-UP ON THE FAMILY HERITAGE BOOK

As a follow-up to the items printed in *LOST?* Volume 5, pages 173 and 234, I am no longer trying for politeness, but will call it as I see it. Unfortunately, many people have not heard the warnings. Suggested by a reader: "If we would like to help stop the Family Heritage Book rip-off, why not wrap up a brick, tape her postage-paid Business Reply Mail Envelope to the package, and put her out of business via the Post Office! Think about it." Quite frankly, I thought it was about the best idea I'd heard, but in checking with our Postmaster I find that it can't be done.

I must pass on a new warning. The woman in Sterling, Pennsylvania is not the only one. One of her customers must have decided to try to get some of this easy money for herself. The following letter was sent to my sister Linda (who is not married):

Dear Mr. Deters,

Did you know you have one of the rarest names in the United States? On the average there is only one Deters family for every half million Americans. At least that is all we've been able to find in the official U.S. government records.

We found this information while researching a book we are ready to publish.

The book is about people named Deters. It tells where they were born, where they live, what they do and who they are married to. It tells about their children and their parents.

The book also includes some surprising information about the ancestors of the Deters family.

It is like a "who's who" of people named Deters. We call it the "Deters Family Name Album".

The book is 11 inches by 8-1/2 inches. Each page is individually designed and bordered. The artwork alone took over 100 hours.

We have done extensive research in locating and writing to all the known Deters in America. My husband, George, and I have written over 237 letters to Deters all over the United States. We've contacted every Deters we could find and believe this is the most thorough book of its kind in the world.

The book is ready for publication, but as your name was in the last record source we checked, we are just now writing to you.

We want to be sure you and your family are not left out.

You can be included and can help us complete the book by filling in the enclosed information sheet as completely as you wish and sending it back to me right away.

For your information, here is some background on us.

My husband and I have a small business here in Hyattsville, Maryland. We research and publish books on select American families. We began doing this for our own family and for friends on a part-time basis, but it has now developed into a full-time business for us.

Here is what some of the people who have received our albums have said. (I won't waste space to copy these testimonials, as they are standard and we all know them by heart. There is no real meaning to them, and the persons writing are not identifiable.)

I'll let you know as soon as the Deters album is finished so you can get a copy if you would like.

We've been able to hold the cost of our other albums to around \$19.00. I can't promise that will be the price, with inflation and everything, but it will be near that.

You don't have to order the album to be in it. But, I would appreciate your reply as I want to make the Deters Family Name Album as complete as possible for the other Deters families who want one.

Sincerely yours,.....

P.S. If you have any questions please feel free to call me. My number is....

P.P.S. In order to get the book into production, we have to meet a deadline date for the printer and the binder who puts on the hard cover. The printer's deadline is October 10 (th letter was dated September 19), so we don't have much time left. Your prompt reply will insure that you are included in the book. Also, we would appreciate it if you would write or print clearly when you fill out the questionnaire and please, do not write on the back of the form. (continued page 41) -55-

Canadians - please, when renewing or subscribing make your payment in US funds, or add 15% to your remittance. This must be done since bulk mail cannot be sent to Canada, and I must pay full 53¢ postage for each issue mailed. I can hardly absorb the 15% discount exchange rate on top of it, plus pay for most of my Canadian purchases in US funds! If you fail to do this, one issue will be deducted from your subscription. I want you to know I hate to have to do this, as I truly value the association with you. Thank you for understanding.

ATTENTION!

Benoit Pontbriand, compiler and publisher of the marriages of over 100 parishes in Quebec, will be in Sparta 12 April 1980! A Seminar is planned for that date, at which he will talk about Protestant research in Quebec. If there is demand for it, he will also talk about French-Canadian research. Jim Hansen will be on hand to give a session on the resources at the Wisconsin State Historical Society, both in the library and in the manuscripts division. In the afternoon, there will be time for questions and answers, and a panel consisting of Mr. Pontbriand, Mr. Hansen, and Joy Reisinger (publisher of LOST IN CANADA?) will address the subject of early French-Canadian settlements in Wisconsin, Michigan, and Minnesota, and answer other Canadian research questions.

The Seminar will be held in Sparta (at the City Hall) because of its' central location, so that persons from Minnesota and Michigan might attend. Advance registration (to 1 April 1980) will be \$8.00, and registration at the door will be \$10.00. Coffee and donuts will be served at 9 a.m. with the Seminar beginning at 10:00. There will be a lunch break, during which you may eat your brown-bag lunch, or sandwiches and bars will be available for purchase on the premises. Coffee will be served, or soft drink machines are available.

For more information regarding the Seminar or motel accomodations, please write Joy Reisinger, 1020 Central Avenue, Sparta, WI 54656, or phone her at (608) 269-6361. You may also call Carolyn Habelman at (608) 378-4388. This is being co-sponsored by the Monroe, Juneau, Jackson County Genealogy Workshop and Joy Reisinger.
