## LETTERS....

From the President. . .

Another year is starting for CCGS and it promises to be a milestone in the history of our genealogical society. For the first time we have scheduled a 9-week genealogical course through the facilities of Clark College. Several of our members will be the instructors of these classes. We hope to accomplish two goals through this service: 1) to educate and inform genealogists in needed areas of research, and 2) to acquaint the Clark County community with the field of genealogy.

In addition to this new venture, the CCGS will be honoring and commemorating its' tenth year of existence. Many genealogical services and accomplishments have been realized for Clark County during this time. The dedication of its' members these past 10 years (all of whom are volunteers) brought these accomplishments to reality. There will be more on our anniversary plans in our monthly NEWSLETTER.

In talking with many of our members these past few weeks, I was delighted to hear of the many miles traveled in the research of family ancestors. It is heart-warming to the stories of long lost records being found and family charts filling up. Several members still have trips to be made later this fall. If you are one of these travelers and need some research/reference guidance, our library has a good source of guide books. Several of our members have written and published their family genealogies. Others are in the process of writing theirs. This past week, Nancy Stout, a very resourceful member completed her fourth family history book. This completes her four surname lines. If you want to see a beautiful family genealogy come to our genealogical library and ask to look at the Colvin Family book which Nancy donated to the library. It will be an inspiration to all family researchers.

Evelyn Maloney  
President

From the Editor. . .

Welcome back to the CCGS and the TRAIL BREAKERS. This promises to be a profitable year, genealogically speaking. Have you turned in your Bible records, Ancestor charts and Surname cards? Your queries? Getting them published in the TRAIL BREAKERS could provide that valuable new contact you need.

We have a really exciting new feature starting in this issue. The parish diaries kept by Rev. John McCarty and continued by Rev. Albert Nicholson have been given to us to publish by Lesla Scott, who transcribed the original diaries. They provide information on births, deaths and marriages in the Vancouver area from 1853. We also will be starting a series on the Death Records recorded in the Clark County Court House, starting in 1891. The San Diego Sewer Records will conclude with this issue.

I wish to thank the TRAIL BREAKERS staff for their time and efforts in getting this new year started. Most staff members have returned to continue the fine jobs they did last year. If you have material for the TRAIL BREAKERS, send it to me at: P. O. Box 2728, Vancouver, WA 98668. Be sure to let me know who it is from. I am interested in any comments and/or criticisms you may have that would make the TRAIL BREAKERS better.

## ST. LUKE'S PARISH REGISTER

The Diaries of Rev. John McCarty 1853-1868  
and Rev. Albert S. Nicholson 1868-1886

Reverend John McCarty started this diary in 1853 when he arrived at Fort Vancouver as Post Chaplain in the U. S. Army. In 1860 he founded the St. Luke's Episcopal Church in Vancouver and served as it's rector until 1868 when he retired.

Reverend Albert S. Nicholson followed Rev. McCarty as Rector of St. Luke's. He continued this parish diary until 1886 when he transferred to Tacoma.

The original diary was loaned to the Clark County Historical Museum in 1964 by Rev. William Peckover, then Rector of St. Luke's. Lesla Scott transcribed a copy of the diary and Dorothy Carlson helped with the indexing. It is that copy that is recorded here, by permission. Some of the entries were difficult to read and (?) indicates a question of interpretation or an illegible entry. Otherwise it is transcribed as originally written.

## LIBRARY UPDATE

Have you visited the Library lately? Something new has been added-- a microfilm reader! The Clark County Historical Museum has kindly located the reader in our library for our convenience. We would welcome a monetary donation for the purchase of films or the donation of films.

We stock a complete supply of forms for your convenience. We also have a new item, "Thank You Grams". These are postcard size, just the right size for a short thank you to someone who has sent you some valuable information on your family. Postage on these is pleasantly under twenty cents.

The Library is open five days a week, Tuesday through Saturday, 1:00 p.m. to 5:00 p.m.

If you are interested in purchasing a book on a particular area, contact your Librarian. She receives numerous flyers on books that are for sale (marriage records, cemetery records, census records, etc.). She may have information on just the book you want.

Doris Wastradowski - Librarian

Check the current Periodicals/Bulletins/Quarterlies/Newsletters received from HERE - THERE - and EVERYWHERE as you endeavor to follow up all the leads obtained from your summer "Ancestor Searching" - be it Family Reunions, Library Searches, etc. There are some new EXCHANGES which means the TRAIL BREAKERS goes to that new area and that circulates the Queries there also. The Family Tree is built upon foundations laid by others and they, in turn, build upon ours.

From the Kansas City Genealogist we learn the FAMILY TREE is a column appearing each Saturday in the Dallas, TX Morning News. It is written by Margaret Ann Thetford. Not a query column, but miscellaneous information sent in by readers, and not necessarily concerning Texas.

If you suspect some of your ancestors spent some of their lives in Canada, perhaps our fellow genealogists across the border could help you. Many people went back and forth across the border in the Niagara Region frequently. Write: Niagara Peninsula Branch, OGS, Box 2224, St. Catharines, Ontario, Canada L2M6P6, from Niagara County Genealogical News.

If the trail of your ancestor ended when he departed for the California Gold Rush, his name may be in the book GLEANINGS FROM ALTA CALIFORNIA, California Marriages and Deaths, 1846-1850 by Mary Dean Alsworth, a detail of vital records gleaned from California's first newspaper, THE CALIFORNIAN. Inquire from Dean Publications, 2204 El Canto Circle, Rancho Cordova, CA 95670.

## CLARK COUNTY DEATH RECORDS 1891 - 1903

## BOOK I

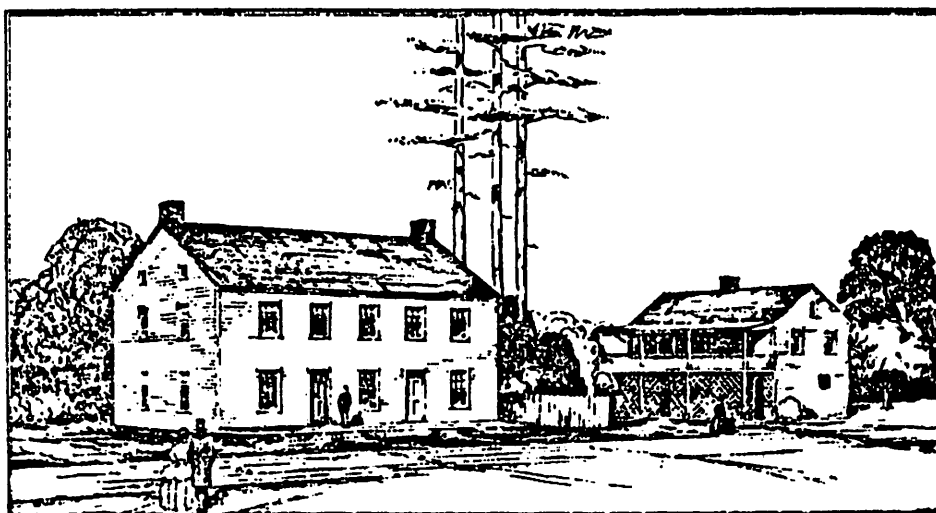

Transcribed from original records of Clark County Courthouse. Extracted and typed by Colleen Curry Bennett.

All entries are by number, starting with #1. All names have been rearranged alphabetically for easier reading. At this writing a photocopy charge by the courthouse is fifty cents, however due to the old paper and handwriting as well as the book binding a clear copy may be difficult to obtain.

It is important to note the signature of the person filing the death return because the medical doctor did not always fill out the death return. At times a relative or close friend signed, sometimes identifying themselves, but not always crossing out the "M.D." on the printed form, therefore the "M.D." has been omitted after the signature.

Abbreviations used: male - m., female - f., residence - res., signature (s.), about - abt., --- - information omitted, ..., or question mark - illegible, father - fa., mother - mo., born - b., accoucheur - acc., widow, widower - wid.

Special thanks to the girls at the county courthouse for their patience and cooperation in letting me use their desks and spaces for my research.
