The Langlois/Langley Family of Southwest Louisiana:
A Study of the First Families
By John A. Young

The Langlois surname is not a common one in the southwest Louisiana area today. The name Langley, into which the name Langlois evolved in the mid-eighteen hundreds, is presently found in several communities in the area. The greatest concentration of Langley surnames at the turn of the century was found in the areas of Basile, Elton, Eunice and Kinder, Louisiana. Presently, the Langley surname has made its way to other areas of Louisiana and beyond.

Langlois Families of St. Landry Parish

At least three distinct Langlois families were in the Opelousas Post area in colonial times. All of the males who headed these families are believed to have been from Canada by way of the Post des Illinois. Whether these Langlois were related or to what degree is not presently known. One of the families, that of Antoine LANGLOIS, arrived in the Opelousas Post area from Prairie du Rocher, Post des Illinois by way of Natchez prior to 1771. In all probability the other two families were also from the same area but arrived in the area at a somewhat later date.

Although these were the first male Langlois to arrive in southwest Louisiana, this is not to imply that they were the only Langlois to leave descendants in the area. At least two other Langlois females were in the area in late 1700 or early 1800. One notable example is that of Felicite LANGLOIS married to Charles LaCASSE. Felicite was a daughter of Augustine LANGLOIS and a sister to Antoine LANGLOIS one of the subjects of this article.

Our first introduction to the Langlois in the southwest Louisiana area comes from the 1771 census of the Opelousas Post which lists two of the three Langlois who would eventually leave descendants in the area, Philippe LANGLOIS and Antoine LANGLOIS. The first family to be discussed is that of Philippe LANGLOIS.

Philippe LANGLOIS

The 1771 Census of the Opelousas Post [Winston De Ville, FASG, Opelousas Post: The Census of 1771, (Ville Platte, La. np, 1986), p.10 & 11] lists Philippe LANGLOIS and his family as follows:

Philippe LANGLOIS, age 30 [b. 1741] his wife [unnamed], age 28 [b. 1743], one son, age 3, and one daughter age 4. [Philippe owns] two Negros, age 12, 1 cattle, 3 horses; 6 arpents of land without title.

The 1777 Census of the Opelousas Post [Winston De Ville, FASG, Southwest Louisiana Families in 1777: Census Records of Attakapas and Opelousas Posts, (Ville Platte, 1987, np)] lists the family of Philippe LANGLOIS as follows:

Philippe LANGLOIS, age 45 [b. 1732], Marie JEAN-SONNE [Jeansonne], wife, age 30 [b. 1747], three daughters, Therese, age 8 [b. 1769]; Sicille [Cecilia], age 5 [b. 1772] and Suzanne, age 3 [b. 1774], Slaves: 2.

(Langlois/Langley con't.)

The son, age 3, listed on the 1771 census apparently died as he is not listed on the 1777 census at which time he would have been 9 years of age.

Philippe was among the early settlers of the Opelousas Post to petition the Spanish government for a land grant in that area. The grant he petitioned for was located in the present community of Nuba south of Washington and is now described as Section 45, Township 5 South, Range 4 East. [Keith Fontenot, N'oubliez pas, "Land Grants of the Southwest Opelousas District, compiled by Gertrude C. Taylor and Carl A. Brasseaux, 1982," Vol. 1, No. 2, (Summer, 1993), p. 40 & Rev. Donald J. Hebert, SWLR, Vol. 3, p. 350, 351] Philippe apparently lived on this property until his death about 1799.

Philippe appears on two Opelousas Militia lists. He appears on the undated Opelousas list, which is believed to have been taken prior to 1776. On that list he is noted to be "age 36, married and his height as being 5'2". He also appears on the list of 15 April 1776, as a Fusileer (Fuselier) who is "Exempt because of status, age, or infirmity." [Winston De Ville, FASG, Louisiana Soldiers in the American Revolution, (Ville Platte, La., np. 1991), p. 85 & 88]

Philippe LANGLOIS and Marie JEANSONNE had six known children, one son and five daughters. Their son, born about 1768, died before 1777. There being no males to carry on the family name, the Langlois name in this family died out. Although Philippe left no male heirs to carry on the family name when he died an enumerable number of his descendants still populate the southwest Louisiana area, most are probably unaware of their Langlois heritage.

Philippe LANGLOIS does not appear on the Opelousas General Census taken in May 1796. His succession was filed in Opelousas on February 7, 1799. [LSAR: Opel: 1779-55]

From the census, church and civil records the family of Philippe and Marie JEANSONNE is reconstructed as follows: [Rev. Donald J. Hebert, Southwest Louisiana Records, Volume 1, p. 351-2]

- I. unnamed boy, b. ca. 1768. (Prob. died young, not on 1777 census.)
- II. Marie Therese LANGLOIS, b. ca. 1769; m. 11 May 1789 (LSAR: Opel. 1789), Joseph ANDREPONT, s/o Pierre Andre PONT & Magdeleine HEIMER (WEIMAR, AIMOND).
- III. Cecilia LANGLOIS, b. ca. 1772; m. 19 Oct 1791 (Opel. Ch.), Pierre COMEAUX, s/o Charles COMEAUX & Anastasia SA VOIE.
- IV. Suzanne LANGLOIS, b. 1774; m. 31 Oct 1796 (Opel. Ch.), Mathurin AUCOIN, s/o Claude AUCOIN & Marie Josephe SONNIER.
- V. Victoire LANGLOIS, b. 10 Oct 1777; d. ca. 1818; m. 17 Aug 1795 (Opel. Ch.), Hubert JANIS, s/o Hubert JANIS & Marie BRASSEAU.
- VI. Marie Francoise LANGLOIS, bt. 3 Oct 1779 (Opel. Ch.) ; d. 24 Jan 1830; m. 5 May 1801 (Opel. Ch.), Mamerto JANIS, s/o Hubert JANIS & Marie BRASSEAU.

Another possible child: Marie Janson LANGLOIS FIGURANT [see Hebert V. 1, p. 213]. Marie Janson Langlois FIGURANT's succession was dated July 25, 1800, [LSAR: Opel.: 1800]. In this document she is listed as a child of Philipe LANGLOIS and Marie JANSON. Also see marriage contract of Marie Therese LANGLOIS. This

(Langlois/Langley con't.)

marriage contract between Marie Therese LANGLOIS, daughter of Philippe LANGLOIS and Marie JEANSONNE, and Joseph Andre PONT is dated May 11, 1789. At the time of the marriage Philippe LANGLOIS is listed as deceased. Witnesses for the bride are listed and include Jean Baptiste FIGURON, her beupere and tutor. [Jacqueline O. Vidrine and Winston De Ville, FASG, Marriage Contracts of the Opelousas Post 1766 - 1803, (np., 1960), p. 31. Jean Baptiste FIGURANT and Marie JEANSONNE had a number of children prior to 1800. [See Hebert, V. 1, p. 212-13.]

Antoine LANGLOIS

Sometime before 1771 the family of Antoine PILET (also PILLET) dit La Sonde arrived in the Opelousas Post area. Antoine the son of Pierre PILET and Madeleine BOISRON (TRUELLE) was from Kaskaskias region of Illinois. He married Marie Louise BAUDREAU dit Graveline, the widow of Augustine LANGLOIS, in Kaskaskias on February 7, 1758. [Natalia Maree Belting, Kaskaskia Under the French Regime, (Polyanthos, New Orleans, 1975) pp. 113-4]

Augustine LANGLOIS, the son of Germain LANGLOIS and Jeanne CHALIFOUR was baptized February 6, 1692, at Charlesbourg near Quebec. Germain LANGLOIS, the son of Michael LANGLOIS and Catherine LECLERC, was born in the parish of St. Germain Auxerre, France. He arrived in Canada sometime prior to July 14, 1675, at which time he married Jeanne CHALIFOUR in Quebec. Jeanne, the daughter of Paul CHALIFOUR and Jaquette ARCHAMBAULT was born in Quebec on September 28, 1659. [Rev. Fr. Christian Denissen, Genealogy of the French Families of the Detroit River Region 1701-1936 (Detroit Society for Genealogical Research, 1987 Revision), Vol. 1, p. 682]

Augustine married Marie Louise BAUDREAU dit Graveline sometime before 1732, at St. Anne, Fort Chartres, Illinois. Marie Louise, the daughter of Gabriel BAUDREAU dit Graveline and Marie Catherine FORESTIER, was born April 24, 1708, at Illinois.

Augustine LANGLOIS and Marie Louise had eight known children. Augustine LANGLOIS died in St. Anne Parish, Village of Chartres on October 11, 1748. His widow, Marie Louise BAUDREAU married Antoine PILET dit la Sonde at Kaskaskias on February 7, 1758. Antoine was the son of Pierre PILET and Magdelainne TRUELLE of the parish of Our Lady of Kaskaskias. [Margaret Kimball Brown and Lawrie Cena Dean, The Village of Chartres in Colonial Illinois 1720-1765 (New Orleans: Polyanthos, 1977), p. 156] The family of Antoine PILET appears on the 1771 Opelousas Post census as follows:

Antoine PILLET dit La Sonde, age 40 [b. 1731]; Antoine LANGLOIS, age 18 [b. 1753]; Thierry, age 30 [b. 1741]; wife of Antoine PILLET, age 60 [b. 1711]; one daughter age 14 [b 1757]; one Negro, age 36; one Negro age 25; one Negro, age 14; one Negress, age 60; two Negresses, age 23; one Mulatto, age 30; one Mulatresse, age 13; 33 cattle; 24 horses; 6 arpents without title.

Antoine LANGLOIS listed with the Pilet family was the son of Marie Louise BAUDREAU dit Graveline by her previous marriage to Augustine LANGLOIS. Antoine was born in the Illinois Post area 18 Dec 1749. His age was listed as 18 on the 1771 census and 25 on the 1777 census.

(Langlois/Langley con't.)

[Belting, Kaskaskia Under the French Regime, (Polyanthos, New Orleans, 1975) p. 113, 114]

The name of Antoine LANGLOIS is not found on the 1777 census; however, the family of Antoine PILET is again listed as follows:

Antoine PILLET, age 60 [b. 1717]; Marie Louise GRAVELINE, wife age 96 [b. 1681]; sons: Antoine, age 25 [b. 1752]; Francois, 14 [b. 1763]. Slaves: 12. The family has 20 cattle; 15 horses; 20 hogs; 15 sheep.

The age of Antoine PILET has progressed 20 years in the six years since the 1771 census was taken. That of his wife has jumped from 60 to 96 years, or 36 years, in the same time span. These are obvious errors, either reported incorrectly to the census taker by Antoine and his wife or recorded incorrectly by the census taker or the transcriber. St. Landry Catholic Church records list Antoine PILET as having died July 18, 1780, at age 58 years, indicating his birth about 1722. [SWLR, V. 1, p. 450] His succession, [# 9], was filed in Opelousas on September 7, 1780. (LSAR: Opel: 1780-112). [Hebert, SWLR, V. 1, p. 450]

There is little doubt that the son listed with the family as Antoine (PILLET) age 25 is in reality Antoine LANGLOIS. His age progression is correct for the Antoine LANGLOIS who was listed with the family in 1771 as being age 18. It is apparent that the census taker erroneously listed Antoine LANGLOIS as a son of Antoine PILET rather than a son of Marie Louise BRAUDEAU dit Graveline in her marriage to Augustin LANGLOIS. The other son listed on the census, Francois, age 14 would have been born in 1763 after the marriage of Antoine PILET and Marie Louise in 1758. It is unknown what happened to Francois PILET. He is not listed on subsequent census, church or civil records; therefore, it is assumed that he died or migrated out of the Opelousas Post area.

Antoine LANGLOIS married Francoise CARRIERE, the daughter of Joseph CARRIERE and Marie Louise LAVERGNE, in Opelousas on January 16, 1781 (LSAR: Opel.: 1781-136). [Hebert, SWLR, V. 1, p. 116] On the marriage document, Antoine is stated to have been from Prairie du Rocher Poste des Illinois. His parents are listed as being Augustin LANGLOIS and Marie Louise GRAVELINE. [See La Voix des Prairies, No.27, p. 76 for additional information on Marie Louise Lavergne.]

There are two additional Langlois' listed on the 1777 Opelousas Post census, both females and both married. Julie LANGLOIS, age 38, is listed as the wife of Baptiste FONTENEAU, age 45 [1777 census, p. 21] and Felicitee LANGLOIS, age 34, wife of Charles La CASSE, age 38 are listed on the census. [1777 census, p. 22]

Ant. LANGLOIS is listed on the 1785 census of the Opelousas Post [Winston de Ville, FASG, Southwest Louisiana Families in 1785, The Spanish Census of the Posts of Attakapas and Opelousas, (Ville Platte, LA, sp.) 1991, p. 16] His household is comprised of one male in the first age group; one male in the third age group [Antoine]; one female in the first age group and two females in the third age group. Without doubt, one of the females listed in the third age group is his wife, Francoise CARRIERE. It is not known who the other female is. Also listed with the family are eight slaves, four males and four females, in various age groups.

(Langlois/Langley con't.)

The household immediately following that of Antoine LANGLOIS on the 1785 census is that of "La CAZE," no first name given. Most likely this is Charles La CASSE married to Felicite LANGLOIS, Antoine's sister.

Antoine is listed on the 1796 Opelousas General census residing in the Coteau District. Included in the family are two males, age 1 to 15 years; four females age 1 to 15; years and he and his wife, a male and female, age 15 and over.

Antoine LANGLOIS was a Revolutionary War Veteran. His name appears on the "List of the review of the company of Opelousas of 15 April 1776" and "List of the Review of the Militia Company of Opelousas of 8 June 1777." On both lists he appears as a Fusileer (Fuelier). [Winston De Ville, FASG, Louisiana Soldiers in the American Revolution, (Ville Platte, LA., sp, 1991), pp. 28 and 81] He is also listed on an undated Militia List of the Opelousas Post. On this the latter list he is noted as being unmarried, a Creole age 19 and 5 foot 3 inches tall by Spanish measurement of that period. It is interesting to note that on this undated list the person listed just before him is Antoine PILET, his step-father and the person listed immediately after him is Charles La CASSE, his brother-in-law. [Ibid, p. 87]

On the 1807 Land and Slave Tax Roll of St. Landry Parish, Antoine LANGLAY is listed as living in the Center District. He owns 520 arpents of land valued at \$2500.00 dollars and has 12 slaves. The amount of taxes for the year is not listed. [Winston De Ville, FASG, Southwest Louisiana in 1807. The Land and Slave Tax of St. Landry Parish in the Territory of Orleans, (Ville Platte, sp, 1993), p. 30.]

Antoine does not appear on 1810 census. According to St. Landry Church records, Antoine LANGLOIS died December 14, 1808, at age 60 years [Hebert, SWLR, Vol. 1, p. 351], his succession, (OCH # 9), was filed in January 1809. [Hebert, SWLR, Vol. 1, p. 351] He was buried in the St. Landry Church Cemetery in Opelousas. [Susan B. Douget, Sous Cette Pierre Repose: Tombstone Inscriptions of the Old St. Landry Church Cemetery, Opelousas, (Hebert Publications, Rayne, 1993), p. 409] His wife Francoise apparently preceded Antoine in death as he is listed as a widower at the time his succession was filed.

Antoine LANGLOIS and Francoise Carriere LANGLOIS are believed to have had eight children, one son and seven daughters. From church and civil records the family of Antoine and Francoise has been reconstructed as follows:

- I. Antoine LANGLOIS [Jr.], b. Dec 1781, bt. 26 Dec 1781 at age 3 weeks (Opel. Ch.); m. 1 Aug 1826 (Opel. Ch.), Marie Cesaire (Celeste) MAYER, d/o Andre MAYER & Marie Anne STELLY.
- II. Françoise LANGLOIS, b. Jun 1783, bt. 6 Jul 1783 at age 3 wks. (Opel. Ch.); m. 30 Dec 1789 (Opel. Ch.), Francois Coulon De VILLIER, s/o Louis Chevalier Coulon De VILLIER & Genevieve FONTENOT.
- III. Sophie LANGLOIS, b. 21 Jun 1786 (Opel. Ch.); m. 9 Oct 1806 (Opel. Ch.), Isidor HOLLIER, s/o Luc HOLLIER & Juliette DESBORDES.
- IV. Cidalise LANGLOIS, b. ca. 1788, bt. 28 Jan 1805 at age 17 yrs. (Opel. Ch.).
- V. Divine (Ludivine) LANGLOIS, bt. 6 Dec 1789 (Opel. Ch.); m. 12 Nov 1807 (Opel. Ch.), Clement HOLLIER, s/o Jacques HOLLIER & Marie Anne HAURANGIN.

(Langlois/Langlely con't.)

- VI. Valerie LANGLOIS, b. 27 Oct 1791 (Opel. Ch.); m. 20 Aug 1816 (Opel. Ch.), Sophie DUPLECHIN, d/o Philip DUPLECHIN & Julie HOLLIER. Sophie was the widow of Joseph COCO.
- VII. Emerante LANGLOIS, bt. 12 Oct 1794 (Opel. Ch.); m. 10 Apr 1809 (Opel. Ch.), Godefroy HOLLIER, s/o Jacque HOLLIER & Marie Anne HAURANGIN.
- VIII. Josephine LANGLOIS, bt. 10 Dec 1797 (Opel. Ch.); m. 27 Sep 1825 (Opel. Ch.), Vallerie MAYER, s/o Jean Baptiste MAYER & Dorothy GUENARD (Edmond Emont).

JEAN LANGLOIS/LANGLEY, JR.

Jean LANGLOIS (Jr.), the son of Jean LANGLOIS and Marie WIL (also found as Wels, Wilinne, Willine, etc.) was apparently born in "Grand Gouff" (Grand Gulf) in the Natchez District. [Hebert, SWLR, Vol. 2, p. 556, in baptismal of Guillaume Langlois] If we hypothesize that Jean was about 21 years of age when he married in 1806, than we can assume that he was born in about 1785.

Jean LANGLOIS, Jr.'s mother, Marie WIL had previously married John BULLER (name found variously as Boullar, Boulter, etc.) with whom she had at least one child, Joseph BULLER, born about June 1781 (baptized in St. Landry Church on July 30, at age one month). St. Landry Church records indicate that John BULLER was from Germany and Marie WIL was from Ireland.

Joseph BULLER married Eleanor SIDECK about 1803 with a ratification in St. Landry Catholic Church on June 25, 1810. Joseph and Eleanor are the progenitors of the Buller line of southwest Louisiana. [Talmadge Buller, "A Brief Genealogical Outline of the Buller Family of Louisiana," La Voix des Prairies, Vol. 11, No. 43, p. 63. Mr. Buller speculates that Marie's probable correct surname was Whalen] Joseph and Eleanor settled on Bayou Joe Marcel, about two miles south of the area which would become Ville Platte. There they had eight known children. Descendants of the Buller and Langlois/Langlely families would meet again years later in the Hickory Flat area near the present day town of Elton, Louisiana.

Jean LANGLOIS, Jr. married Marie (Marguerite) Ann OLIVER on February 17, 1806 (Opel. Ch.). Marie Anne OLIVER was the daughter of Maurice OLIVER and Catherine LEJEUNE (of the Pointe Coupe Lejeunes). On the marriage document Jean LANGLOIS' wife's name is listed as Marguerite Anne OLIVER; however, subsequently, the name Marie Anne is used.

John LANGLEY appears on the 1817 and 1817 Sheriff's Tax List for St. Landry Parish. [Ramona A. Smith, Land Holders of Southwest Louisiana: Tax Lists for St. Landry Parish, 1817 and 1818 (Ville Platte, LA, sp, 1990) Tax lists list the amount of immovable property (real estate), location and value of the property. Both the 1817 and 1818 lists indicate that John LANGLEY owns no real estate; therefore, it is not possible to ascertain the homeplace of the family in the Parish. The lists do indicate, however, that John owns 20 horses, mares and mules and 150 head of horned cattle. His tax bill for the year is \$2.10. On the 1818 Sheriff's Tax Roll, he appears as John LANGLOIS, still without any real estate and still with the same 20 horses, mares and mules and 150 head of horned cattle. Again, his tax bill for the year was \$2.10.

(Langlois/Langley con't.)

Jean LANGLOIS is a fleeting character and not listed on the census of 1796 nor 1810. He had died by the time the 1820 census was taken. Indications are that he never applied for a land claim and did not own property but rather let his cattle roam at large on land of the public domain.

The date of Jean LANGLOIS' death is not known; however, it appears that he died after his son William, his seventh child, was born in March 1815, and prior to the time the 1820 census was completed in July 1820. His succession (OCH Succ. # 164-A, Jul 1820) was filed in Opelousas in July 1820. Only five children are named on the succession, Andre, Joseph, Marie Louise, Elie and William. It is unknown why Jean Baptiste and Marguerite, their first two children, are not listed. It should be noted that the first two children were born prior to his marriage in Opelousas on February 17, 1806. It appears possible that John and Marie Anne may have married, civilly, in Pointe Coupee prior to their arrival in the Opelousas area.

In all probability Marie Anne Oliver LANGLOIS is the Marie Anne LANGLEY in the age bracket 70 to 80 years, listed on the 1840 census of Calcasieu parish [Geneva Bailey Seymour, 1840 Census of Calcasieu Parish, Louisiana, (Lubbock, TX, sp, 1982), p. 1]. On the census she is listed as living next to William LANGLEY (her son) and Leon (Leandre) BERTRAND who was married to her daughter, Marie Louise LANGLOIS. Also living nearby is Jean Baptiste LANGLEY, no doubt her eldest son. On the 1850 Calcasieu Parish census the Wd. Jean LANGLEY, age 80, is listed in dwelling house #107, family #121, the dwelling house of William LANGLEY, her son. [Seymour, 1850 Census of Calcasieu Parish, (Hebert Publications, Cecilia, LA, 1980), pp. 14 & 15].

Most of the people who carry the Langley surname residing in the southwest Louisiana area are descendants of Jean LANGLOIS/LANGLEY and Marie Anne Oliver LANGLEY. The following are the known children of Jean and Marie Anne:

- I. Jean Baptiste LANGLOIS, b. 19 Jul 1801 (Opel. Ch.); m. 28 Mar 1827 (OCH), Milly (Emily) REED of Mississippi, d/o John REED & Mary SAYS (SEIS).
- II. Marguerite LANGLOIS, b. ca. Apr 1804, bt. 17 Feb 1806 at age 22 mts. (Opel. Ch.); m. 15 Dec 1818 (Opel. Ct. Hse.), James COLE "of Natchez", s/o James COLE & Jeremia CURTIS.
- III. Andre (Andrew) LANGLOIS, b. ca. May 1806, bt. 10 Nov 1807 at age 20 mts. (Opel. Ch.); m. 27 Feb 1827 (Opel. Ch.), Marie De La FOSSE, d/o Pierre Romain De La FOSSE & Celeste JANIS.
- IV. Joseph LANGLOIS, b. 11 Jul 1808 (Opel. Ch.); m. 10 May 1827 (Opel. Ch.), Melite CASANUEVA, d/o Francois CASANUEVA & Marie Louise De La FOSSE.
- V. Marie Louise LANGLOIS, b. 15 Mar 1810 (Opel. Ch.); m. 22 Mar 1831 (Opel. Ct. Hse.), Leandre (Leon) BERTRAND (b. 30 Jun 1813 Opel. Ch.), s/o Joseph BERTRAND & Marie GALLIEN.
- VI. Hilaire LANGLOIS, b. 9 Mar 1812 (Opel. Ch.); m. 21 Feb 1829 (Opel. Ch.), Gertrude CASANUEVA, d/o Francois CASANUEVA & Marie Louise De La FOSSE.
- VII. William LANGLOIS, b. 8 Mar 1815 (Opel. Ch.); m. 21 Feb 1838 (OCH) Marie Anne De La FOSSE, d/o Pierre Romain De La FOSSE & Celeste JANIS.

Fontenot Family Project update

The magnitude of work required to publish the Fontenot book has been far greater than first envisioned by your editor. However, progress is being made, albeit slowly. The book titled The Fontenot Family, 1600 - 1903 is well along its way to publication. All of the information from the original manuscript has been entered, along with the additional information sent in by our members. Basically, what remains to be done is the proofreading, paginating and last, but not least, indexing.

More than 9,400 individuals, Fontenots and associated families, will be listed in the book. The time period covered in this work will be from approximately 1600 to 1903, with a few family genealogies extending beyond the 1920's. The reason some families extend beyond 1903 is the fact that some of our members sent in material extending their lines past that year. We appreciate their interest in the project.

We are unable to estimate the price of the book at this time. Price will be dependent on the number of pages contained in the book and this cannot be determined until the index is complete. Optimistically, we are hoping for publication to begin before the end of 1996. We will keep you posted.

The Langlois/Langley families

We received several letters in response to the article, "The Langlois/Langley Family of Southwest Louisiana: A Study of the First Families," which appeared in the January 1996 issue of La Voix des Prairies. Several errors were brought to the author's attention by our alert readers. Preparations are underway for a follow-up article on the Langlois/Langley families in which these corrections will be published. We urge anyone else having pertinent information on the family to submit it for possible inclusion in the article.

Anyone aware of any errors in any of the material published in our quarterly are encouraged to call us to task and submit corrections. Once material, be it correct or incorrect, is in print, it tends to become "fact." which will be repeated and become gospel.

We wish to thank our readers for material submitted for publication in the quarterly. Some of that material will appear in this and subsequent issues. We have a continuing need of manuscripts of any length.

BRUNET - LESTANG 1638 to 1900:

Some Descendants of Jacques Brunet - Lestang

Submitted by Burke A. Brunet

In the research for this article the writer found the surname Brunet spelled Brun, Bruné, Brune and Brune. The most common spelling encountered was Brunet which is used for this writing. The time period investigated was 1638 to the 1900's. It was noted that many Brunets came to North America by way of Acadia, Puerto Rico, Cuba and/or New France (Canada).

The progenitor of the Brunets researched by the writer in this study was Jacques BRUNET. He was the first Brunet of our ancestors to leave France and settle in New France (Canada). His family came from St. Jean de Rai, near Laigle - about 35 miles west of Paris - in Normandy, France. Hence his family is sometimes referred to as Normans.

Jacques married Jacqueline RACHEINE from (Tourouvre) Perche, in the department of l'Orne, France. It is unknown if he came to Canada as a soldier or as an immigrant.

Second Generation

Michel Lestang Mathieu BRUNET

Michel was born in St. Jean de Rai, near Laigle, Normandy, France in 1638. He arrived in Canada in 1646. Michel married Marie BLANCHARD on November 10, 1667, in Quebec City, Canada. Marie, born in Rouen, France in 1649, was the daughter of Jean BLANCHARD and Martine LeBAS from St. Nicaise de Rouen, Normandy, France.

Michel died at Hotel Dieu in Montréal on December 17, 1708. Marie BLANCHARD died July 29, 1722, in Lachine, Canada.

Third Generation

Jean BRUNET - Lestang

Jean married Marie PÉRIER in Lachine, Canada, on October 19, 1694. Marie was the daughter of Jean PÉRIER and Marie GAILLARD.

Fourth Generation

Joseph BRUNET - Létang (Lestang)

Joseph married Françoise BARBARY in Pointe-Claire, Canada on April 9, 1720. Françoise was the daughter of Pierre BARBARY and Françoise PARÉ.
(Brunet family con't.)

(Brunet family con't.)

Fifth Generation

Joseph BRUNET

Joseph married Amable LEFEBVRE in Pointe-Claire, Canada on April 10, 1752. Amable was the daughter of Michel LEFEBVRE and Françoise DENIS.

Sixth Generation

Joseph BRUNET

Joseph of Québec married Marie Madeleine BONHOMME in Vaudreuil, Canada on February 4, 1777. Marie Madeleine was the daughter of Michel BONHOMME and Madeleine COTTIN.

Seventh Generation

Joseph BRUNET

Joseph of St. Michel Parish, Canada married Marie PERRON in St. Landry Catholic Church, Opelousas on January 20, 1816. Marie was the daughter of François PERRON and Marguerite FONTENOT.

Joseph died sometime before 1824. His estate declaration is dated July 5, 1824, and his succession (OCH # 399) dated July 1727. After Joseph's death, Marie PERRON married a second time on July 6, 1824 (Opel. Ch.), to François Xavier DE GLANDON. Marie PERRON died sometime before July 1827, her succession (OCH # 439) being filed in Opelousas at that time.

Five children are recorded as having been born to Joseph BRUNET and Marie PERRON; however, only one, Alexandre, is known to have survived past puberty and later married and had offspring. The following were their children:

1. Girl, b. ca. Nov 1816; d. 21 Mar 1817 "at age 4 mts." (Opel. Ch.).
2. Arthemise BRUNET, b. 18 Apr 1818 (Opel. Ch.). (No other information)

AUBERT, AUVERT, BERT, DAUBER, GOMER, HAUBER, HOBERT, HOUBER

Who was Pierre AUBERT and his wife Marguerite?
Their children were the following:

1. Marie Francoise AUBERT "of New Orleans" born ca. 1725 buried 30 Oct 1788, New Orleans, married between Jun 1740 - Mar 1742 to Jean Baptiste VEILLON.
2. Pierre AUBERT, born ca. 1727 - 1728, died 13 Aug 1744.
3. Louis AUBERT, born ca. 1729 - 1730, deceased by 25 May 1742.

Both Pierre AUBERT (AUVERT, HAUBER) and Marguerite were deceased by August 1739. The AUBERT orphans were wards of Jacques BIGOT of Trois-Riviers, Canada (presumably born 1684, son of Francois BIGOT and Marie BOUCHARD dit DORVAL). BIGOT died 22 Oct 1739. His wards inherited his Dumaine Street property. Jacqueline O. Vidrine, 903 East Main, Ville Platte, LA 70586

The Opelousas Guards

[Editor's note: There were several companies of volunteers formed in St. Landry Parish during the Civil War. The following list of the first company formed is reprinted from William Henry Perrin, *Southwest Louisiana Biographical and Historical*, (New Orleans, The Gulf Publishing Company, 1891; reprinted, Baton Rouge, Claitor's Publishing Division, 1971), pp. 57-8. The list is apparently taken from the Opelousas Courier, date not given.]

"The Opelousas Guards - It will be interesting to many of our readers to know who composed this company - the first that left Opelousas for the seat of war in 1861. After having been mustered in the Confederate service and sent to Camp Moore, they left the latter place on the 24th of June, 1861, for Richmond, Va., as Company F, Eight Regiment, Louisiana Volunteers, and remained in Virginia, taking an active and honored part in the many terrible engagements that occurred there up to the close of the war, 1865, when the remnants of that gallant company returned home. The Opelousas Guards of 1886 carries on its roll the names of a few of the veterans and several of the descendants of the Guards of 1861. The following is the roll of The Opelousas Guards a quarter of a century ago. Officers and non-commissioned officers: James C. PRATT, captain; Dr. John TAYLOR, first lieutenant; Geo. W. HUDSPETH, second lieutenant; Albert DEJEAN, third lieutenant; Thos. D. COOK, first sergeant; Aaron PRESCOTT, second sergeant; John P. OFFUTT, third sergeant; Clinton B. QueriesCOMEAX - CAMPBELL

I am researching the Comeaux family of which I am a member. I am searching for the birth, baptismal, marriage, church or civil death records for my maternal great-grandfather, Joseph COMEAUX or his relatives. Joseph COMEAUX was born in 1883 in Evangeline Parish. He attended a Catholic church in Evangeline [Parish?]. The names of his father and mother are unknown although his father is believed to have resided in St. Landry Parish in the town of Porte Barre. I know Joseph had a brother named Omar (?) COMEAUX. Joseph COMEAUX married Louisa CAMPBELL (?) and raised his family in Waxia, St. Landry Parish, Louisiana. He died in Waxia, LA in 1962. Any information about the persons mentioned above would be appreciated.

COLE - ROBERT

I am doing research on the Cole family in early Avoyelles and Pointe Coupee Parishes. One of my great-grandfathers, James COLE, appears in that area in the late 1700's or early 1800's. He married Elizabeth ROBERT there, and church baptism records indicate their first child was born about 1820 in Avoyelles Parish. I cannot determine where James COLE came from. I have located a James COLE, Sr. and James COLE, Jr. living in the Natchez area in the late 1700's and am trying to determine if either one of these could be the person for whom I'm searching. I would appreciate any advise or leads anyone can give me.

I am searching for information on the Derosier family of St. Landry Parish. I wondered if perhaps someone in your organization might already be doing research on the family or might be able to put me in touch with someone who is knowledgeable about this particular family.

DELAFOSSSE

Robert Romain DELAFOSSE, born 1828 (according to 1850 St. Landry Parish Census). Does anyone have any information on Robert? he appears on only one census (1850). No baptismal record has been found. Robert was killed during the Civil War. I have been searching for his parents for many years. Any help will be appreciated.

SOME RESIDENTS OF BEAVER CREEK IN 1860

By Peggy Fontenot Stevenson

The following families and residents of the community of Beaver Creek, St. Landry Parish, Louisiana, were not included in the 1860 census. Beaver Creek was known as a wilderness area at the time the census was taken. The residents of the area were left off the 1860 census, possibly because the census taker could not locate the trails through the swamps and across the bayou or thought it too dangerous.

The 1850 and 1870 census and Rev. D. J. Hebert's Southwest Louisiana Records, were used to reconstruct the families of the area as well as to compute the ages of the residents. The dwelling numbers used for this study are the dwelling numbers used on the 1870 census. Where there no dwelling numbers, the heads of households were either deceased by 1870 or living elsewhere at the time the census was taken.

Philippe Leandre FONTENOT	42	m	This family lived in the Beaver Creek area during the 1850's and 60's. Their home was burned down by jayhawkers during the Civil War. That night they took Philippe, Sr., who was shot in the stomach, to Mamou to see a doctor. After that the family lived in Pine Prairie. Philippe, Jr. later married Catherine HOLT and after 1870, had a home built at Beaver Creek on the original homesite. A descendant of the family still resides in it today. (see household # 126)

Augustin DOGUÉ	55	m	This family was living near the Beaver Creek Bridge in 1859. Augustin was appointed overseer of a road to be built there before the Civil War. Augustin and Lise both died before 1866, and probably Estelle as well. Pierre Neuville later married Zelia FONTENOT (wid of Robert DELAFOSSE). Oneal married Lucia FONTENOT in 1865. Azaline married Philippe Olin FONTENOT in 1875.

	Zelia Aulin P. J. L. FONTENOT	18	f

	Laodiska Rollins DARDEAU	52	f	According to an article in the <u>Opelousas Daily World</u> in 1853, Rachel GRANDENIGO was offering to sell the Beaver Creek Springs Resort. It was on the present Delafosse property. The Edward DARDEAU family possibly purchased this property. After Edward's death in 1859 or 1860, Laodiska offered to sell the resort in the sale of the estate. Instead, the family moved elsewhere. Charlotte MOORE came to Beaver with either Rachel GRADENIGO or the Dardeaus to oversee the resort while the owners were living in Opelousas. Charlottes MOORE's son, Robert DELAFOSSE, homesteaded the place for himself and his mother. Robert's son, David DELAFOSSE, continued to live there until his death. David married Amant VICTORIAN. CHRISTOPHER VISCARDI

Peggy F. Stevenson

The surname VISCARDI or VISCARDIS is not a common one in southwest Louisiana. It is believed that most of the people carrying that surname presently living in the area are descendants of Christopher VISCARDI.

Family tradition relates that Christopher VISCARDI (VISCARDIS) and two brothers left Italy as stowaways to avoid serving in the military. The ship they were on was shipwrecked somewhere along the Gulf coast. It is believed his brothers died as a result of the shipwreck.

Christopher made his way to Opelousas sometime before 1860 where he is listed on the census of St. Landry Parish taken that year. He is listed as 36 years of age (b. 1824), a baker and born in Italy. No economic statistics are shown for him.

Soon after his arrival in Opelousas, the Civil War began and Christopher was apparently again faced with the problem of serving in the military. It is believed that, along with others attempting to evade conscription, he traveled to the Beaver Creek area. Beaver Creek was a remote, sparsely settled area at that time as witnessed by the fact that even the census taker did not venture there in 1860.

Christopher lived with the family of Aulin Philippe J. L. FONTENOT until after 1870. On January 25, 1868 (OCH), Christopher married Julia FONTENOT, the daughter of Olin P. FONTENOT and his first wife, Sophie BORDELON. Julia was the widow of Dalcourt GUILLORY. From the marriage record we find that Christopher was the son of Dominique VISCADIS and Madeleine VISCADIS. On the 1870 census, the family appears as follows:

120	121	FONTENOT, Olin P.	65	m	W	farmer	La.
		Oline	56	f	W		
		Philippe	14	m	W		
		Viscardi, Christoph	43	m	W	farmer	Italy

		Christine	1	f	W

LANGLOIS/LANGLEY FAMILY CORRECTIONS

By John A. Young

Several errors and inconsistencies have been brought to the author's attention regarding the article "The Langlois/Langley Family of Southwest Louisiana: A Study of the First Families" by John A. Young, which appeared in La Voix des Prairies, Vol. 17, No. 64, (Jan 1996), pp. 3-9. The following is presented in the hopes of clearing up errors presented in the earlier article and to add additional information to that previously presented.

Perhaps the most substantial error pointed out, in the author's opinion, was the fact that the person listed as Jean LANGLOIS in the article, was in actuality, John LANGLEY, an Englishman. For additional information on John LANGLEY see the accompanying article, "Buller alias Marshall: Documented Proff, Langley Alias Marshall: Circumstantial Evidence" by Talmadge L. Buller, which appears in this issue.

Philippe and Antoine LANGLOIS were brothers. They were two of the ten children known to have been born to Augustin LANGLOIS & Marie Louise BAUDREAU dit Graveline. The following is a list of the children of Augustin and Marie Louise:¹

1. Augustin LANGLOIS, II, b. ca. 1726; d. 11 Oct 1748 "at age 22 yrs." in Illinois.
2. Marie Louise LANGLOIS, b. ca. 1729; d. bef 23 May 1758; m. (1) 6 - 10 Feb 1741, Simon GAULIN/GAUTIER; m. (2) 14 Jun 1745, Joseph LIBERVILLE-CESIRE (LIERVILLE dit Joyeuse); m. (3) 23 May 1758, Marie Madeleine BEAUDRON, wid. of RICHARD.
3. Jacques LANGLOIS, b. 1730; d. 7 Oct 1748 "at age 18 yrs."
4. Nicolas LANGLOIS, b. 5 Sep 1732.
5. Marie Josephe LANGLOIS, b. ca. 1734-35; m. (contract) 27 Apr 1749, Francois Marie GILBERT dit Sanspeur.
6. Pierre LANGLOIS, b. ca. 1740; d. 1 Feb 1789; m. 29 Jul 1765, Marie-Catherine NORMAND-LA BRIERE, wid. of Leonard or Laftique BILLERON.
7. Philippe LANGLOIS, b. 1741; d. Succ. 7 Feb 1799 (OCH); m. bef 1768, Marie Josephe JEANSONNE, b. ca. 1743; d. bef 1797.

¹ Genealogy of the family of Augustin Langlois and Marie Louise Baudreau dit Graveline is from a letter to the author from Mr. Albert B. Pfefferkorn dtd. 5 Feb 1996.

(Langlois/Langley correction con't.)

8. A son, b. 1743; d. 1744 "at age 1 yr."
9. Felicite LANGLOIS, b. ca. 1744-45; d. 1810; m. 7 Oct 1761, Charles LACASSE/CASSE, b. 17 Mar 1736; d. 14 Jul 1814 "at age 94 yrs. (Opel. Ch.).
10. Antoine LANGLOIS, b. 18 Dec 1749; d. 14 Dec 1808; m. 16 Jan 1781, Francoise CARRIERE, b. 23 Oct 1764; d. bef Jul 1823.

It was also pointed out, correctly I must add, that the author incorrectly spelled Augustin as Augustine in several places in that part of the article concerning Antoine LANGLOIS. ²

On page 7, it was stated that Antoine LANGLOIS died December 14, 1808 and that his wife, Françoise Carriere LANGLOIS had apparently preceded him in death. Françoise was actually still alive at the time of Antoine's death. She died sometime before August 22, 1823, at which time her succession (# 4) was filed in Opelousas. ³ The succession describes the plantation where she last resided as "... being in St. Landry Parish, in the Prairie of the Lilly, bounded on the north side by land of Seth LEWIS, on the south by land of François CHENIER, on the west by land of Clement 'HOLLIER, having six and a half arpents front, more or less, by thirty seven and a half arpents in depth, sold with its appurtenances to François CHENIER."

On pages 7 and 8 of the article it was stated that Antoine LANGLOIS and Francoise Carriere LANGLOIS were believed to have had eight children, one son and seven daughters. Antoine and Francoise did in fact have eight children; however, it should have been stated that they had two sons and six daughters. The sons were (I) Antoine LANGLOIS, Jr. and (VI) Valerie or Valerien LANGLOIS. ⁴

On page 7 the marriage date for child (II), Françoise LANGLOIS, should read 30 Dec 1798 rather than 1789. Regarding child (IV), Cidalise (Sidalise) LANGLOIS, Cidalise m. (1) 19 Aug 1823 (Opel. Ch.), Pierre BOSSIER, (d. succ. May 1835), s/o Nemise BOSSIER & Catherine DESBORDES; m. (2) 13 Feb 1838 (Opel. Ch.), Desire GAUDET, s/o Louis GAUDET & Adelaide BAUVRY.

² Ltr. Albert B. Pefferkorn, dtd. 5 Feb 1996.

³ Ltr. Callie P. Avera, dtd. 7 Feb 1996. Along with her letter Ms. Avera included a copy of the succession of Françoise Carriere, widow Antoine Langlois.

⁴ Ltr. Albert B. Pefferkorn and Ltr. Callie P. Avera. Both letters pointed out that there were actually two sons in the family.

BULLER ALIAS MARSHALL: DOCUMENTED PROOF
LANGLEY ALIAS MARSHALL: CIRCUMSTANTIAL EVIDENCE

Note: The contributor of this article has not provided source references to those statements easily proven by works previously published in La Voix des Prairies or easily found by researchers interested in specific statements. However, source references are provided for those statements containing new information from unpublished sources and for those statements requiring definite proof in support of the central theme of this article. Also, the contributor has never studied French and is incompetent in translating French into English or in correctly transcribing French. Therefore the accuracy of the two brief extracts from public documents that are written in French and which appear in this article is open to question.

Joseph BULLER, Sr. and John LANGLEY, Jr. were half-brothers, both having the same mother, Marie WILLEN, (Wiln, et al.) a native of Ireland. Marie WILLEN gave birth to John LANGLEY, Jr. at Grand Gulf in the Natchez District, probably when that region was under English rule. She gave birth to Joseph BULLER, Sr. at Opelousas when the Post of Opelousas was under the flag of Spain. Joseph BULLER and John LANGLEY and their children were closely connected. They may have used a common alias. We have documented proof that some of the early Bullers of St. Landry Parish used the alias "Marshall" (with variations in spelling), in place of the family name. We have circumstantial evidence suggesting that some of the early Langleys may have used the same alias. The writer is aware of a legend giving an alleged reason for the use of the alias but in the absence of solid evidence the alleged reason will not be discussed in this article.

Joseph BULLER, Jr., son of Joseph BULLER, Sr. and his wife, Eleanor SIDECK, died about 1835 in St. Landry Parish. One of the papers in his succession file, dated 10th September 1835, carries the following title: "Succession de feu Joseph BULLER, alias MARSHALL." At another place in the papers we see written: "le dit Joseph MARSHALL ou Joseph BULLER."

Many years ago the contributor of this article was given a poor photocopy of the various papers in the above succession by a family member whose name the writer no longer remembers. The writing on the paper is in French and we can clearly see the signature of J. M. DEBAILLON, Notary Public, certifying that the papers constituted a copy placed in his archives. The writer has tried to obtain a certified copy of the papers in the succession from the Clerk of Court in Opelousas but has been informed that the papers cannot be located.

(Buller/Langley alias Marshall con't.)

Regardless of the absence of a certified copy of the above succession we have additional information which leaves us little or no room for doubting the truthful nature of the above statements.

In 1980 the writer obtained photocopies of a succession from the Louisiana State Archives and Records Service, a succession designated in a calendar of the holdings in that agency as "The Succession of Joseph BULARD, 5 July 1836." The few papers in that succession clearly reveal that the succession pertains to the same Joseph BULLER as found in the previously mentioned Debaillon records. We see one photocopy sheet which appears to be a photocopy of a cover to a document. Written on this we see the following:

Inventaire
des Biens delaissees
par feu Joseph Buller et en communaut  entre
la veuve et ses heritiers Le
10 Septembre 1835.

3 7

No inventory is found in these pages.

On another sheet of paper we see the marks of Augustin DOGUET and Lise DOGUET and the signature of J. M. DEBAILLON. We note that Joseph BULLER, Jr. had married Lise DESHOTELS and that after the death of Joseph BULLER, Jr. his widow had married Augustin DOGUET.

On still another sheet of paper we see the following:

Recu de Monsieur Augustin doguet
pour la Compte de Monsieur antoine Mallet
La Somme de treize piastres que Lui derait
La Succession Joseph Marechal fils
Opelousas le 15 Avril 1836
Sittig freres

[Written below:
"\$1. 3 (?)"]

[Photocopy of Succession of Joseph Bulard, along with letter from Arthur W. Bergeron, Jr., Archivist, Louisiana State Archives and Records Service, to Talmadge L. Buller, 1 February 1980.]

(Buller/Langley alias Marshall con't.)

All of the above will perhaps satisfy the most demanding genealogist that Joseph BULLER, Jr. was also known as Joseph MARSHALL.

Adam BULLER was another son of Joseph BULLER, Sr. and his wife, Eleanor SIDECK. Adam married Divine (Ludivine) DESHOTELS, a sister of Lise DESHOTELS who had married Joseph BULLER, Jr. On 29 November 1837, Lise VEILLON, widow of Maximillien DESTHOTELS and mother of Lise DESHOTELS and Divine DESHOTELS, sold her tract of land near Ville Platte to Sieur Augustin Larose FONTENOT. The document recording this sale is written in French. The children of Lise VEILLON gave their consent to the sale, with Adam BULLER acting by permission of his wife. In the body of the document we see Adam BULLER recorded as "Sieur Adam Bobuller alias Marshal." The peculiar spelling of the name "Buller" may have occurred in the following manner. The scribe who penned the document may have begun writing the name, intending to spell the name as it was frequently spelled by French-speaking writers, that is, as "Bouler." Seeing his error, he may have then continued writing the name as it should have been written. It seems that by 1837 most of the Buller family members had adopted "Buller" as the accepted spelling and had discontinued the original German spelling, "Buhler." Of course, most of the early family members were illiterate (as were many others), so the name was still occasionally recorded by others as "Buhler."

There is no doubt that the peculiar spelling, as seen above, was intended to be the recording of Adam BULLER's name. At the conclusion of the above deed Adam BULLER made his mark in two places, the name being recorded in both places as "Adam BULLER." Thus we see that Adam BULLER was also known as "Adam MARSHALL." [Photocopy: Notarial Records of St. Landry Parish, housed in the Office of the Clerk of Court, Opelousas, Louisiana. Identified in grantor's index as "11-29-1837 - BULLER, Adam Mrs. - Augustin Larose FONTENOT - Land - File 891 - Book A-AO449.]

Thomas BULLER was another son of Joseph BULLER, Sr. and his wife, Eleanor SIDECK. In 1830, Thomas was still unmarried and probably still living at home with his parents so his name does not appear in the 1830 federal census. By 1840, Thomas had married and was the father of several children. We would expect to find him recorded as head of a household in the 1840 federal census of St. Landry Parish, but his name is not to be found.

The most likely reason for the absence of his name in the 1840 census (in the opinion of the writer), is that he was using the alias "Marshall." In the 1840 federal census we find a "Thomas MARECHAL" listed on page 261, between Lo DeVILLE and Joseph JEANSONNE, Pere. We note that this Thomas MARECHAL was listed on the page preceding the households of his two brothers, Adam BULLER and John Pierre BULLER.

In examining the statistics given for the household of Thomas MARECHAL we see that the household contained one white female of sixty and under seventy years of age.

(Buller/Langley alias Marshall con't.)

One male slave was also listed in the household.

It is believed that after the death of Joseph BULLER, Sr. his widow, Eleanor SIDECK, moved into the household of her son, Thomas BULLER. She was certainly living in his household at the time of the 1850 federal census and the 1860 federal census. It is believed that the elderly female listed as a statistic in the above Thomas MARECHAL household was Eleanor SIDECK, widow of Joseph BULLER, Sr.

At the succession sale of Joseph BULLER, Sr.'s property in 1837, Eleanor SIDECK purchased the slave, John. It is believed that the male slave listed as a statistic in the household of Thomas MARECHAL in 1840 was the slave, John.

John LANGLEY, Jr., the half-brother of Joseph BULLER, Sr., may have also used the alias "Marshall." By 1810, John LANGLEY had married and was the father of several children, some being his own children and some being his step-children by his wife's prior marriage. We would expect to find John LANGLEY listed in the 1810 territorial census of Opelousas County, but his name is not found.

In seeking an explanation as to why John LANGLEY was not listed as head of a household in the 1810 census, we first seek to determine where Langley lived in 1810. The writer believes that he was living on land purchased from Joseph BULLER, land located on Bayou Joe Marcel.

When Joseph BULLER began improving the land on Bayou Joe Marcel in 1803, he was improving land on the public domain and had no title to the land. It was many years before he obtained a patent to his land. Until the land claim was confirmed, Joseph BULLER could not guarantee any title to any portion of his land. He could only guarantee what was anticipated in confirmation of his claim.

Joseph BULLER, Sr. "sold" to his brother, John LANGLEY, Jr., six arpents of land shortly after settling on Bayou Joe Marcel. The precise year of the sale cannot be determined with certainty but it appears to have been before 1810. It appears that Langley made improvements on the land and then sold his improvements to Francois BRIGNAC. The land was from the northern portion of Buller's claim, being bounded on the north by the land of William O'DONEGAN and on the south by Buller's land. On 8 February 1819, Joseph BULLER registered a deed to the land, stating that Brignac had paid two hundred and fifty dollars cash into the hands of Buller's brother, (un-named but obviously John Langley), about eleven years prior to the deed. [Photocopy: Debailon Acts, Book A. 1818-1820, pages 86-87, Office of the Clerk of Court, St. Landry Parish. It is possible that the document has been given a different listing from the one obtained by the writer in 1984.]

When Joseph BULLER, Sr. sold his land on Bayou Joe Marcel to Sieur Augustin Larose FONTENOT on 3 January 1831, the deed was made and registered twice. The writer cannot explain why the deed was registered two times since both deeds pertain to the same act. Both deeds are made in French and while the reader should be aware

(Buller/Langley alias Marshall con't.)

of the contributor's ignorance in that respect, the writer nevertheless believes that he has at least understood the essence of what is contained in the deeds. We note only minor differences in the two deeds. Both deeds state that six arpents were reserved from the sale and that those six arpents were occupied by the widow of Francois BRIGNAC at the time of the sale. One deed states that the six arpents had been sold to Joseph BULLER's brother, Jean LANGLEY, deceased, about twenty years prior to 3 January 1831. The other deed states that the six arpents were sold to Jean LANGLEY, deceased, the brother of Joseph BULLER, Sr., about twenty-five years before 3 January 1831. [Photocopy: Notarial Records, Office of the Clerk of Court, St. Landry Parish, found in grantor's index as "Book A-A, 1-3-1831 - Buller, Joseph Sr. - Augustin Larose Fontenot - Land, 569 - No. A-A A0317./ Also, same place, Book A-A, p. 327-328 Land Sale - Joseph Buller, Sr. to Augustin Larose Fontenot 3 January 1831.]

We see by all of the above that John LANGLEY was probably living on his land adjacent to Joseph BULLER's land in 1810. We do not find John LANGLEY listed in the 1810 territorial census but we do find a "John MARSHAL" listed in that census. He was listed adjacent to Samuel REED. We know that Samuel REED was under-tutor to the minor heirs of John LANGLEY, deceased as proven by the Succession of John LANGLEY in 1820. We know that Samuel LANGLEY [REED] performed his duties in regard to Langley's estate, as proven by the final settlement in 1827. [Photocopy: Final Settlement of the Estate of John Langley, October 10, 1827, in Notarial Records, Office of the Clerk of Court, St. Landry Parish. Found in computerized index as: "10-10-1827, Langley - Settlement 298 - No. A. A0186] We know that Samuel REED's land was on the west bank of Bayou Joe Marcel, directly across the bayou from Joseph BULLER's land.

In conducting the 1810 census the enumerator would only need to cross the bayou and he would be on John LANGLEY's land. In addition, we find no John MARSHALL listed in the 1820 federal census of St. Landry Parish. The reason for his absence seems apparent. John LANGLEY had died by 1820, so there would be no John MARSHALL in the census. We do find the widow of John LANGLEY listed as head of a household in the 1820 federal census of St. Landry Parish.

When we consider that members of the Buller family used the alias "Marshall" (as proven by documented evidence), and when we see that John LANGLEY lived adjacent to Joseph BULLER about 1810, and when we see that John LANGLEY's name does not appear in the 1810, census but a John MARSHALL was listed in the census at the place where we would expect to find John LANGLEY listed, what are we to conclude? The contributor of these notes believes that both Joseph BULLER, Sr. and John LANGLEY, Jr. used the alias "Marshall" and that they likely did so because they were closely attached to someone by that name who lived in the Opelousas Post before 1800.

.....from the President

Dear Members:

On October 26, 1996, a small but enthusiastic group of members of the Evangeline Genealogical and Historical Society met to discuss the future of **La Voix des Prairies** and the Society itself. A pending crisis had been brought to the attention of the membership when our current editor, John Young, and myself, both announced retirement (as of 12/31/96) from our respective positions. I am happy to report to you that the position of Editorial Manager will be filled by Mr. Mathias J. Fruge, III of Eunice, LA. Mathias is young and energetic and will bring fresh ideas to **La Voix**, as well as to the Society. You can help him by sending in material for publication. The duty of actually getting **La Voix** printed, sorted, and mailed out to you will be assumed by Mr. James Reed. The position of Treasurer, which also entails receiving and answering the Society's mail and maintaining the membership list, will be assumed by Miss Annabelle Latour. James and Annabelle are very capable people and I know they will do an excellent job. To each of you, John and I wish you the best of luck with your efforts.

In January, 1980, I was one of a fairly large group of local people who met and organized the Evangeline Genealogical and Historical Society. Three months later we published the first issue of **La Voix des Prairies** and now, seventeen volumes and sixty-seven issues later, it is nice to know that our work will continue. Over the past sixteen years we have helped hundreds, maybe even thousands, of researchers who have ancestry in southwest Louisiana. John and I have progressed from strangers to good friends over the years and even though we are retiring from our positions, we are not retiring from the genealogical world. We are working together on the Fontenot book and also on a census publication. Personally, I am working with doctors from the Medical College of Pennsylvania on a genetics research project involving our ancestry.

Finally, thanks to all of you who sent cards and letters of encouragement and praise about **La Voix des Prairies**. The comments and suggestions were greatly appreciated. I hope you will continue that practice with our new staff. Good luck with your family research!

Sincerely,

Ramona A. Smith, President
Evangeline Genealogical & Historical Society

THE BRAND OF JOSEPH BULLER, SR.

Submitted by
Talmadge L. Buller

Joseph BULLER, Sr. began improvements on public land along the east bank of Bayou Joe Marcel in the Post of Opelousas in September of 1803. In October he raised his cabin and early in January of 1804 he moved his family on the land. On 10 December 1805 his land was surveyed. The field notes to the survey reveal that the boundaries to his land were marked in four places with a design shown as "Mh".¹

It is believed that the particular design used in making the marks showing the marks showing the boundary lines in the above survey was probably chosen for the reason that the marks would be identical to the cattle brand of Joseph BULLER, Sr. The basis for that belief can be seen in the following information.

Joseph BULLER, Sr. recorded his cattle brand on 8 July 1816. In a letter dated 17 October 1960, from Winston DeVILLE, F. A. S. G., to the writer, DeVille enclosed an illustration of the cattle brand of Joseph BULLER, Sr. as found in the Brand Book, University of Southwest Louisiana, Lafayette, Louisiana. The illustration follows:

JOSEPH BUHLER

We note in the above that the family name is found as "Buhler," the original German spelling of the name, and we note the design being the same as found in the previously mentioned land survey.

At the succession sale of Joseph BULLER's property in 1837, Eleanor (SIDECK) BULLER, widow of Joseph BULLER, Sr., purchased the brand, the same brand as recorded in 1816.²

John Pierre BULLER, son of Joseph BULLER, Sr. and Eleanor (SIDECK) BULLER, moved to Texas in 1847. After living on the frontier in DeWitt County for about two years, he moved his family to Harris County, Texas and resided in that county about two years. On 12 February 1852, John Pierre BULLER registered two brands in Harris County, Texas. One brand was registered in the name of Nicholas BULLER and

¹ Photocopies: Claim of Joseph Buller in T. 4S., R. 2E, Evangeline Parish, in Register State Land Office, Baton Rouge, Louisiana, being Private Land Claim BB1123. Records show the deposition of Samuel Reed, with map and field notes of survey made in 1805.

(Joseph Buller Brand con't.)

was illustrated as "." The other was registered in the name of John BULLER and was illustrated as ".

³

It is obvious to the writer that both brands were registered for the two sons of John Pierre BULLER, those sons being Nicholas C. BULLER and John Jefferson BULLER. An examination of public records of Harris County, Texas reveals that it was a very common practice at that time for parents to register brands in the names of their children.

In the opinion of the writer, the registering of the two brands as stated above provides a good example for showing how the transcribing of records frequently leads to errors. We note that the brand was registered for Nicholas BULLER on 12 February 1842. The writer has devoted many years to the assembling of information on the Buller family and he has not found any family member with the given name of "Nicholas" who was alive in 1842. Nicholas C. BULLER, the son of John Pierre BULLER, was not born until 1847. The writer is convinced that the Nicholas BULLER whose brand appears illustrated in the brand book of Harris County, was actually Nicholas C. BULLER and that the year of the brand registration is incorrect. This was apparently an error having been made when the original brand book was transcribed.

The certified copies of the two brand records in possession of the writer show that the records were made with the aid of a typewriter. It is apparent that the typewriter was not in use in 1842 when the brand for Nicholas BULLER was registered, therefore the brand book is a transcription. We note that the brand for John BULLER was registered on 12 February 1852, the date being the same day and the same month as that for Nicholas BULLER, only the year being different. We know that the family of John Pierre BULLER was still in Louisiana in 1842. However, in 1852 his family was in Harris County, Texas. The tax rolls for Harris County reveal that John Pierre BULLER paid his poll tax in 1852. Therefore, it is apparent that both brands were registered at the same time and that 12 February 1852 is the correct date.

Even before the above brand registrations became known to the writer, he had become aware of the brand design used by Joseph BULLER, Sr. in Louisiana. At a homecoming celebration in Polk County, Texas about 1970 the writer informed his second cousin Joseph R. BULLER, that the writer had learned of the brand design and it was at that time that he described the brand to his cousin. Joseph R. BULLER then stated that the brand, as described, was identical to the brand that had been used by his father, Nicholas C. BULLER, in Polk County, Texas. The writer then asked if he

³ Certified photocopies: Record of Marks and Brands, Vol. 2, p. 511, Nicholas Buller; Vol 2, p. 900, John Buller; Office of the County Clerk, Harris County, Texas.

(Joseph Buller Brand con't.)

knew of any special meaning or significance that was intended to be represented by the design of the brand. He replied that he knew of no special meaning but he then laughed and stated that he told everyone that the brand stood for "My horse."

Eleanor (SIDECK) BULLER, widow of Joseph BULLER, Sr., died during the summer of 1860 in Calcasieu Parish, Louisiana. At the time of her death she was living with her son, Thomas BULLER, and his family, at Hickory Flat, Louisiana. She owned a small herd of cattle and the brand that she had purchased in 1837. On 5 April 1862 at a public auction, the brand and the lot of cattle were bought by William BULLER. The paper recording the sale also illustrated the brand as "M." ⁴

Thus we see that the brand of Joseph BULLER, Sr. was used in Louisiana and Texas and that it was possibly used for over 100 years.

**A SCHOOL OF THE FUTURE IN THE PAST:
THE EVANGELINE PREPARATORY SCHOOL OF BASILE**

By Burke A. Brunet, B.S., M.Ed.

The village of Basile was incorporated in 1911. Dr. E. S. TAYLOR was the first mayor; J. Syrus DARBONNE, Adam CHAUMONT, J. E. CHAUMONT, Amas FUSELIER and a man by the name of MARSHALL were the first aldermen. The village attracted people from the northern part of the state because of its virgin forest. They came with their religious and educational ideas. Soon after their arrival they organized and built the first church in Basile, "The Methodist Church," and a high school.

These early settlers came to harvest the large stands of cypress trees in the Bayou Nezpique, Bayou Blue, Bayou Durald and Bayou Castor area. The Putman brothers, LeCroix Lumber Company, and Maurice Lumber Companies established saw mills in the area west of Basile. Logs were floated down the streams to be processed at the mills.

Because of the large number of jobs available in the area, the village of Basile grew quickly. In early 1920 a group of citizens envisioned a religious school that would prepare students educationally and morally. Interested people organized a meeting at the church to build such a school. As a result of this meeting the following were elected to the board of the Evangeline Preparatory School, F. W. LOY, Chairman; Walter McCAIN, Secretary-Treasure; E. I. WALDORF, C. B. SPENSER, H. C. PATTERSON, H. H. McCAIN, C. M. McCAIN, G. M. KING, Sr., J. A. CARRUTH, R. L. WILDON, Edward AGUILLARD, F. H. HELMS, H. K. FAULK, C. W. RODGERS and E. B. LONGENBACH, Trustees. The board was charged with holding in trust for the Methodist Episcopal Church use of the facility for educational and religious use.

The board purchased twelve acres, more or less, from Walter McCAIN on the March 7, 1922. The act was filed and recorded March 13, 1922, in Conveyance Book N. B-4, pages 191 et seq., as Original File No. 14,377, Evangeline Parish Clerk of Courts Office. This parcel of land is located in Basile, Evangeline Parish, Louisiana. It is described as follows:

A certain tract or parcel of land adjacent, or in the Town of Basile, Evangeline Parish, Louisiana, in the Southwest quarter (SW 1/4) of Section Thirty-two (32), Township Six (6) South, Range Two (2) West, Louisiana Meridian.

The sale was made and accepted for and in consideration of \$1.00 in cash current money. It was executed with an exception, that the vendor, Walter McCAIN, pay the taxes for the year 1921. Witnesses to this sale were C. A. FONTENOT and Hebrard

(School of the future con't.)

AGUILLARD. On this parcel of land a two story wooden structure was built to house the Evangeline Preparatory School with grades one through eleven. It was an approved school with classes commencing in 1923.

A girls' dormitory was located in a house that was later owned by Alcide "Boo-key" FOURNERAT. Mr. Dave McMANUS lived in that house at one time. Mr. McMANUS was Joses McMANUS LANGLEY's father.

Out of town boys from Elton, Eunice, Jennings and Welsh boarded with Mrs. Dora COURVILLE BRUNET who operated a rooming and boarding house. Mrs. Dora was the mother of Bessie BRUNET LEDOUX. Others students who lived in the vicinity came on horseback and in buggies. Mr. David YOUNG maintained a stable where their animals were kept during school hours.

The school was patterned after the early American schools where the Bible was taught along with reading, writing and arithmetic. Cost for attending the school was twenty-five cents per week. Sports were also encouraged and a basketball team was formed. Some of the participants on the basketball team were Chester, Jefferson J. and Louis DARPAN. When the team played in Iota or other distant towns the players were required to remain overnight due to the distance involved and the mode of transportation, which was a Model "T" Ford.

School supplies such as pencils, paper, books and other necessary supplies were furnished by the students' parents. There were no free lunches or school buses to transport the students. The founders of the school dreamed of developing the school into a Junior College.

The establishment of the Evangeline Preparatory School was truly a step into the future for education in the Basile area. The history of the school came to an end in 1925 due to a fire which consumed the building. The fire started in a flue above a wood burning heater used for heating the building. It is said that Joyce McCELLAND discovered the fire. She notified the authorities who then had the building evacuated.

After the destruction of the building the school year was completed by conducting classes in the Northern Methodist Church, the present location of the First Baptist Church in Basile. Not long after the school was destroyed by fire, the cypress trees were depleted and most of the people involved in organizing this progressive school moved away along with the sawmills.

On the 18th day of July, 1950, the school property was sold to Dutile McGEE and

(School of the future con't.)

Benjamin JOHNSON for the sum of \$3,500.00. The Methodist Church authorized Rev. Clarence B. KRUMNOW, Pastor of the Elton Methodist Church, Joseph L. TUPPER, George R. WALTON and Jodie STOCKWELL to sell the twelve original acres. The property became known as the McGee-Johnson subdivision to the Town of Basile.

Among the faculty members of the Evangeline Preparatory School were Dr. HERVEY, principal; Dr. SHORT and Dr. McCAIN, teachers. Some of the people who are believed to have been students at the school were;
